

Friends of Beeston Primary

WHO ARE THE FRIENDS OF BEESTON PRIMARY SCHOOL?

The Friends of Beeston Primary (PTA) is a group of enthusiastic parents and teachers. Our aim is to work together to raise funds to purchase resources for the school, such as new equipment. We help fund wonderful events for the children to enjoy.

OUR MISSION

To mix and combine the talent and energies of our parents, families, staff and the local community to create a stimulating, caring and enriching environment that enables children to become life-long learners, and attain personal excellence.

WE WANT YOU!!!

The PTA is constantly looking for new members. It really is worthwhile getting involved as your child makes their journey through school. Whether you would like to be fully involved or if you would simply like to help at occasional events, your support will be greatly appreciated; we simply need your contact details.

What we have found is that all parents have something to offer and by working together we can make a difference obtaining those little extras that help all our children. Not only that, but the PTA is a great way to expand your circle of friends. We try to meet at times to suit parents and alternate between daytime and evenings

Updates on our activities and our meeting dates will be announced through Mr Edensor's newsletter and the PTA has a post box in the main school office for any suggestions or ideas.

If you would like further information please contact Mrs Zara Hussain or Mrs Leoni Strudwick via the school office.
