

Dear Parents, Carers and Friends of the school.

It was great seeing so many families join our Growth Mindset workshop yesterday.

From speaking to parents, it was clearly a successful event especially the time spent in classrooms.

Thanks, as always for supporting our lovely children and school.

We are here to help.

At School, we believe no child should go hungry. I am pleased to report that school is now a distributor of food vouchers for South Leeds Foodbank; which operates on a Monday from 11am to 1pm at St Andrews Church Cardinal Road Beeston.

The foodbank provides food to people in our community who are in need. Foodbank clients bring their voucher to the foodbank, where it is redeemed for three days' emergency food. There are a great many reasons why people may need a little help from time to time, and at school there are no judgements made, we are here to help.

If you feel that you would like the support of the Foodbank at any time, please contact Mrs Knowles.

Staff News.

Welcome back to Miss Wilson, who has returned to school after her maternity leave. She is taking over from Miss Taylor who leaves school today.

A special welcome to our new Teaching Assistants, Miss Lydon and Miss Child who are working in Years 1 and Year 5.

Road Safety Awareness

Our Lollypop Lady has informed us that some of the children are darting across the busy road outside of school and not using her services to cross safely. Please can you remind the children that Town Street is a busy road and encourage them to cross

safely with our Lollypop Lady. Thank you for your cooperation.

Reading at Home

Helping your child to learn to read and learn to love reading is one of the greatest gifts you can give them.

It's important that your child comes to school with a bag to enable them to safely bring home their school reading book and reading record each day. If you would like to purchase a new book bag then please see the ladies in the main school office, alternatively please make sure that your child has an appropriate bag of their own. Try to remember to listen to your child read at home and record this in their record book.

If you would like some further ideas on how you can support your child at home then please visit the Oxford Owl website for lots of great suggestions: www.oxfordowl.co.uk.

Please do not forget...

Our next Parents' Consultation Evening is after half term. If you are struggling making an appointment using our new online system then please ring the school office team who are here to help.

Training Days.

Some parents have been asking about how many training days are left this school year. Please see the information below.

Friday 22nd May 2020
Monday 1st June 2020
Monday 20th July 2020

This is a time when school is closed to pupils due to staff training.

Enjoy your half term break with your lovely children. Let us hope for better weather too!

Best wishes,
Mr Edensor
