

Dear Parents, Carers and Friends of the school.

It was lovely seeing so many families at our recent parents' evenings. Thank you for your comments regarding our school curriculum; we will be sharing your opinions with the Governing Board shortly. This will help us plan any changes to the educational opportunities we offer all of our children.

If you were unable to attend your meeting last week, then please contact school to re-arrange.

Please be aware that there will be some slight changes to our next parents' consultation evening, which will be held on Wednesday 4th March 2020 from 2.15pm to 7pm (School will not be closing early). This will include the trial of an on-line system to book your appointments with your child's teacher, which you will be able to do on your phones. More details to follow next term.

Staff News.

Congratulations to Mr Nicholson, who has been appointed by the Governing Board to be our Deputy Headteacher. He will be joining Mrs Tidey, Senior Deputy Headteacher, as part of the senior leadership team.

Over the years, many of you will have had Mr Nicholson as your child's class teacher and know what an excellent addition he will be to our leadership team.

Friends of Beeston News.

A big thank you to everyone who has visited our local Co-op over the past year. Friends of Beeston registered our school to take part in the Co-op Community Fund. This means that our school will shortly be receiving a donation of £2,382. This will be used to improve the playground for our children in Key Stage 2.

Christmas Decoration

Morning.

Due to the positive feedback from families last year, we will again be hosting our Christmas Decoration Morning for all classes. So if you fancy getting all Christmassy and want to make loads of Christmas crafts then please join your children's class on Friday 29th November from 9am until 10.30am. We look forward to seeing you there.

Governor Monitoring Visits.

As you are aware, one of the key roles for the Governing Board of our school is to monitor key areas linked to our school improvement plan. Please find below an extract from their recent monitoring visit.

'Beeston Primary is an inclusive school, which successfully supports children with a wide variety of Special Educational Needs and Disabilities. The school should be particularly proud of the adjustments it makes to ensure access for all. Pupils with additional needs are recognised effectively and support is put in place to promote the best possible outcomes.'

Christmas Concerts.

I cannot believe how quickly November has flown and as December approaches, the children start to prepare for one of our Christmas concerts. You will shortly receive information about your child's concert from their class teacher. If you have any questions or want additional tickets then please speak to the school office team.

Please note that I will be trying my best to get 'out and about' more on the playgrounds in the mornings. Pop over and say hi if you see me!

Have a lovely weekend everyone!
Best wishes,
Mr. Edensor
