## **Guidance for Parents Re: Covid-19 Coronavirus**

Dear Parents/ Carers,

As a school we have been working incredibly hard to keep our school functioning amidst the Coronavirus pandemic whilst also continuing to keep our pupils safe in school.

We have no suspected or confirmed cases of Covid-19 Coronavirus in school, however a growing number of our staff are being advised to self isolate due to a variety of different reasons.

Unfortunately, a number of those staff are our Foundation Stage staff (Nursery & Reception) and it is becoming impossible to staff our Foundation Stage and meet the required adult to pupil ratios.

Keeping your children safe is our main priority.

As a result, we will be closing our Nursery from **Monday 23<sup>rd</sup> March 2020** for the foreseeable future. The school will remain open for the time being, for pupils from Reception to Year 6, so if you have other children in school, their education will continue as normal.

In giving you this notice we hope that this gives you opportunity to make alternative arrangements for your childcare.

We don't take decisions like this lightly and I am sure you will understand that this is becoming much more common across the Country during these unusual times.

We are currently reviewing our policies and procedures, in line with daily updates from the Government and we will contact you again when we are able to reopen.

Thank you for your continued support,

Best wishes,

Mr S Nicholson  
Deputy Headteacher & Foundation Stage Leader

Headteacher Mr. N. Edensor
