Nursery Closure Days: Wednesday 4th November, 2020

Dear Parent/Carer,

It is an Ofsted requirement that a paediatric first aid trained personnel is available at all times should there be an emergency situation. At Beeston Primary School, it is time for our staff to re-new their certificates and up-date their training so that they continue to have the practical skills and are able to manage a situation until further medical help arrives.

We choose to train a large majority of our staff in this comprehensive two-day course because we feel that it makes our school a safer place to be. **As such, on Wednesday 4th November, our School Nursery will be closed so the training can take place.** (Due to Covid-19 restrictions our first day of learning will be online meaning we will only require one closure day this year.) We apologise for any inconvenience this may cause but hope you appreciate we are putting the safety of your child first.

Many thanks for your understanding.

If you have any questions, please do not hesitate to ask your child's teacher.

Regards,

The Nursery Team

Headteacher Mr. N. Edensor
