"Promoting a love of learning"

Monday 8th February 2021

Dear Parents and Carers,

I hope you are all keeping well and safe during this Lockdown. We are looking forward to welcoming you back to school, hopefully in March once the Government have finalised their plans.

Firstly, thank you for all the lovely emails and Facebook messages regarding your involvement with our school's remote learning. The staff continue to work incredibly hard in ensuring that there is a range of quality teaching and learning experiences on Microsoft Teams and Tapestry.

### Parent and Carer Consultation Evening Information

We will shortly be holding our second parents' consultation meeting for this academic year. Due to the continued Lockdown it will be a similar setup to last term's meetings as we cannot have any 'face to face' contact, on our school site.

This means that our parent consultation meetings will be held remotely via telephone. In order to make it more convenient for staff and families, parent meetings will be arranged by your child's class teacher, who will contact you either this week or the first week back after half term (either via Microsoft Teams, Tapestry or telephone). This is to agree a mutually convenient day and time during the week beginning the 1<sup>st</sup> March 2021. There will be available times throughout those days of that week and some evening appointments too for working parents and carers.

The focus of this parent meeting will be on your child's wellbeing during lockdown and the standard of learning they have achieved with remote learning (accessed either at home or in school for keyworker pupils and vulnerable families).

During parent consultation meetings, please be aware that some teachers may be slightly late in contacting you if any conversations run over the allotted time; so please make sure that your phone is turned on and that it's not in silent mode. The words 'Blocked', 'No Caller ID' or 'Private' will appear on your phone instead of the school's number when your child's teacher calls you. Please be aware that they will try twice to contact you during your 10-minute slot before moving on to their next meeting. If you are a two-parent family, living together, then you are welcome to put the call on speaker to both share in the conversation.

### Parents' Consultation Week

From Monday 1<sup>st</sup> March to Friday 5<sup>th</sup> March 2021

Best wishes,

Mr Edensor

Headteacher
