For Parents of children in Key Stage 2 Collecting your children from the key stage 2 playground at the end of the school day

Dear Parents and Carers,

During Covid-19 pandemic we pride ourselves in ensuring that the school grounds are a safe place for all. Yesterday it was disappointing to see large groups of families congregating together on the playground – not socially distancing. There were also people wearing masks around their necks or not wearing a face covering at all.

Please can I remind all families of the following rules:

Please only enter our school grounds if you are following the following safety measures:

- One family member only to collect children from the playground.
- Follow the Government’s social distancing guidelines.
- Don’t come too early – stick to the times to avoid congestion.
- Wear a face covering and wear it responsibly.
- Stay in your year group parent zone on the playground until your children are lined up for collection.
- Use the one way system to enter and exit the playground through the carpark.

To ease congestion

From today the end of day times have been altered:

Phase	Collection Location	Collection Time
Lower Key Stage 2 (Years 3 and 4)	Lower Key Stage 2 playground. Accessed through the Nursery gate and Reception playground.	3.15pm
Upper Key Stage 2 (Years 5 and 6)	Lower Key Stage 2 playground. Accessed through the Nursery gate and Reception playground.	3.25pm

Thank you for your cooperation
