

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Promoting a love of learning”

Dear Parent / Carer,

Being a parent is one of the most important jobs there is. It's also one of the hardest. If you feel like life as a parent is sometimes too much, don't worry-you're not the only one.

At Beeston Primary, we know that sometimes parents may have concerns or worries which crop up suddenly or build up over time. Sometimes, you just want to talk to someone in school face to face; to be able to ask questions about school life or find out more information about support available for your child or family.

From Friday 21th May, Mrs Whitaker will once again be holding Parent Surgery every Friday from 9.00am to 11.30am. These sessions will allow you the opportunity to discuss any queries or concerns you may have about your child. You may be worried about your child's emotional wellbeing or wish to discuss issues in school or home that may be affecting your child. You may be struggling at home with your child's behaviour; Mrs Whitaker will listen to you without judgement and work with you to achieve any changes you might like to see.

Please don't sit at home and worry, please pick up the phone. We are here to listen and are committed to supporting you. If we are unable to help you directly, we may know of an agency that can support you and your family, through life's challenges.

If you would like to book an appointment, please contact school on 0113 2716789 Option 3 or email IR@beestonprimary.org. Appointments can either be face to face or via the telephone.

We look forward to hearing from you.

Best wishes

Mrs S Knowles
Pastoral Leader

Headteacher Mr. N. Edensor
