Unfortunately, we had to close our last class bubble today due to 3 pupils testing positive for Covid over the weekend. As these pupils tested positive before ‘Freedom Day’, this class is now in isolation. I share the frustrations of the families of 1SS for this last minute disruption.

From today ‘Freedom Day’, face masks are now not mandatory on the school grounds and it is entirely up to the individual as to whether they want to continue wearing one.

As it is the final week, we will continue working in bubbles up until the last day of term. However, from today, schools are no longer responsible for identifying close contacts of pupils who test positive for

COVID-19. Instead, close contacts will be notified by NHS Test and Trace and given advice and instruction about isolating.

From September pupils can still come to school in their PE kit on PE days as this has worked well this school year and the pupils would like this to remain.

Please don't forget that we have two Training Days on Monday 6th and Tuesday 7th September. We look forward to welcoming pupils back on Wednesday 8th September 2021.

A big thank you to all staff for their hard work over this challenging year. Thanks also to you, our lovely families for your continued support with school.

Have a wonderful summer break with your family.

Best wishes
