Dear Parents and Carers,

READING VOLUNTEERS

As I'm sure you are aware, at Beeston Primary we place an emphasis on regular reading practice. Reading to an adult and discussing books is an extremely important part of learning to read and we like to provide as many opportunities as possible for children to do this.

Our reading volunteers are so valuable to us and we have missed having them in school over the last year or so. We are delighted to say that we are now able to have our volunteers back in school! If you have worked with us before and are still happy to do so, we would love to hear from you. We are always looking to recruit new parent, carer and grandparent volunteers to come into school and work with children, hearing them read and talking about books. If you could spare an hour or so each week to do this, it would be great to hear from you.

According to school policy, volunteers do not work in the same year group as their children. Volunteers will also be required to undertake a DBS (a criminal record check which will be organised and funded by school) and to fill in one or two additional forms for safeguarding reasons.

If you would like to offer some of your time, please email the school office with the following information (email address below):

- Your name
- Name of your child/children and their year group/s
- Contact telephone number
- Days and times that you are available to volunteer
