

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Engage, Enjoy, Enrich, Excel”

Dear Parents/Carers,

'Go Read' Reading App

This year at Beeston Primary, we are making some very positive changes to how we ask you to record your child's home reading. We are introducing a new app for your phones, tablets or computers, which means you can record what your child reads at the tap of a button.

You will shortly be receiving a letter from school containing a school and pupil login code for the new Go Read app. We ask that you download the app free using the QR code on your letter or displayed on the posters around the school gates. You will then be able to follow the parent guide on the app or watch the introductory instructions on our school website, showing you how to tell us what your child has read and when. If your child has their own phone or tablet, they too will be able to log in and record their own reading.

This app will show us what reading is taking place out of school and will be used to reward children for reading regularly. Pupils can earn rewards through the app but frequent readers will also be able to earn points as part of our new rewards system in school.

We would be grateful if you could get the app (or go online) and register your child. We will be showing children in school how to use Go Read to ensure they are confident with logging into their profiles.

We hope you find this an engaging and easy way of recording your child's reading. However, as with all things new, we expect that it will take a few weeks for us to embed this new way of recording reading and we fully understand if there are initial issues when using the online diary. If you need any support, please speak to your child's class teacher.

Best wishes,

Mrs R Walker
English Leader

Headteacher- Mr. N. Edensor
