## Key Stage 2: Year 3 Home Learning Autumn 1

Dear Parents and Carers,

Outlined below are lessons your child should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. Next to each subject heading are the appropriate web links and notes your child's teacher has shared with you. In addition to the below, we would suggest that your child should be reading for pleasure, this could involve reading with you or to you. They might prefer to have some quiet reading time by themselves or even read to their pet if they have one. This can include books, comics and magazines.

You/your child will need to upload evidence of their work to Teams. If your child is isolating this document will be 'assigned' to them and we ask you upload photographs to share with your child's teacher. Please see the guide 'how to upload a photograph' for support if needed. Editable worksheets will not be available. A member of staff will provide feedback but this will not be as instant as when there is a whole class/school bubble closure as members of staff will be teaching daily in school. Your child's class teacher will call you for a wellbeing check at the beginning of the isolation period and again, if necessary. Please remember, in the event of a full bubble closure, we will send you updated recommendations.
