*We would like you unleash your creativity and create some artwork for a new display we are making. You should choose one of these words and make a large (A3) poster of this word. You might want to do collage, printing, bubble writing, graffiti or any other creative representation you can think of. The word must be clearly shown.*

*We would like your competition entries by 10<sup>th</sup> December. Winners will be announced in the last week of term. We look forward to seeing all your amazing designs.*

*Entries to be sent to 4MG (Mrs McAvoy)*
