## Foundation Stage 2 (Reception) Playground

Dear Parent/Carer,

On Monday 14<sup>th</sup> February significant building work will begin on the Foundation Stage 2 playground. This is a very exciting time as the building work will transform the opportunities your child has to learn and play, during their school day. Over approximately 5 weeks, every part of the playground your child currently accesses is going to be enhanced. Although we are confident the outcome will be incredible, there will be some changes to your child's routine during this time. Please see below details of where your child should be dropped off for school in the morning and collected at the end of the day.

### **Nursery:**

There are no changes and you will continue to use the Nursery doors. However, the area around Nursery will be busier so please be aware of this.

### **FSSS:**

Your child will come into school using their normal door and can arrive between **8.45-9.00**.

At home time, we ask that you collect your child from their normal classroom door at **2.55**, as the door will be open earlier than normal.

### **FSLH:**

Your child will need to come into school using FSSS' classroom door, which is on the right before you enter the Nursery playground, they can arrive between **8.45-9.00**. Miss Hutchinson will be there to greet your child.

At home time, we ask that you collect your child from **3.05**, from FSSS's classroom door. Mrs Sleet will let her children out first and then Miss Hutchinson will let her class out.

### **FSCC:**

Your child will need to come into school using FSSS' classroom door, which is on the right before you enter the Nursery playground, they can arrive between **8.45-9.00**. Miss Campbell will be there to greet your child.

At home time your child will leave by Nursery's cloakroom door. The first door on your right, as you walk through the gate into the Nursery playground. The door will open at the normal time of **3.00pm**.

**We have staggered finishing times at the end of the day to try and keep the amount of parents waiting to a minimum. We expect this will be a busy area to wait so ask that you do so patiently and arrive no earlier than the times asked of you.**

During the school day your child will have access to outdoor space, using one of the Key Stage 2 playgrounds. Whilst we apologise for any short term disruption this may cause we feel the benefits the children will receive from the new playground will be well worth it.

Please see overleaf for the end goal!

Yours sincerely,

Miss Hutchinson  
Department 1 Leader.

Headteacher- Mr. N. Edensor
