Dear Parents and Carers,

Parent and Carer Consultation Evening Information

After the half term break we will be holding our second parents' consultation meetings for this academic year. Unfortunately, we still have many Covid cases, especially amongst staff. Therefore in order to try and limit this spread in school and to keep our pupils and staff safe, our next Parent and Carer Consultation Meetings will be of a similar set up to the meetings held in October 2021.

This means that our parent consultation meetings will be held remotely via telephone. You will be able to book a 10 meeting slot using our online system (instructions on the reverse of this letter).

Prior to parents' evening, your child will take home, three photocopied pieces of work (English, Maths plus another example from a further curriculum area) for you to look at and keep. You are welcome to use this evidence of your child's learning as a talking point during your telephone conversation with your child's class teacher.

During parent consultation meetings, please be aware that some teachers may be slightly late in contacting you if any conversations run over the allotted time; so please make sure that your phone is turned on and that it's not in silent mode. The words 'Blocked', 'No Caller ID' or 'Private' will appear on your phone instead of the school's number when your child's teacher calls you. Please be aware that they will try twice to contact you during your 10-minute slot before moving on to their next meeting. If you are a two-parent family, living together, then you are welcome to put the call on speaker to both share in the conversation.

As reading is a priority within our school, teachers will be checking with all families to see how they are 'getting on' using the Go Read app at home when listening to their children read.

Parents' Consultation Evenings dates and times

Wednesday 16th March 2022 from 4pm until 6pm

Thursday 17th March 2022 from 4pm until 7pm
