“Promoting a love of learning”

Thursday 27th January 2022

Dear Parent/Carer,

As part of the Upper Key Stage 2 PHSE curriculum, we will be delivering a series of lessons under the heading Relationships and Sex Education (RSE) to Year 6 pupils the week beginning **Monday 14th February**.

Our aims are to encourage children to reflect and understand both the physical and emotional changes that affect them at this time. The lessons will focus on:

- * Emotional changes during puberty
- * Physical changes during puberty for boys and girls (including opportunities to discuss sanitary protection)
- * The human life cycle (linked to the National Curriculum Programme of Study)
- * Personal hygiene
- * An awareness of how their bodies work and develop
- * Recognition of relationships/loving environment
- * Conception and contraception

Lessons will be delivered by class teachers in classes offering optimum ease for discussion in a safe environment. Through circle time, quizzes, videos and discussions, children will engage with the different areas within the topic.

We will be holding a PSHE meeting so that there is an opportunity for parents and carers to view the materials in full. If you would like to attend the meeting, we will adhere to our risk assessment in the hall. The meeting will take place on Thursday 3rd February at 2:30pm. Once we know how many parents would like to attend the meeting, we will confirm the date and time, as we may need to hold more than one meeting to accommodate everyone safely.

If you have any more specific concerns in relation to your child, please make an appointment to see Mrs McAvoy (PHSE Lead) and Mrs Swain (Year Six Leader), via the school office so we can work together to provide an accessible programme. We should be grateful if you would sign the reply slip below to acknowledge receipt of this letter and return the slip to school as soon as possible.

Yours sincerely

Mrs McAvoy and Mrs Swain
