## Early Years Foundation Stage: FS1 Home Learning Spring 2

Dear Parents and Carers,

Outlined below are lessons and activities your child should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. We recommend your child completes Literacy, Phonics and Maths lessons daily, along with an activity from a different area of learning. Other activities such as baking, dancing, singing, being creative and using technology are also important. Remember play is essential at this age and should be encouraged at home too. Please upload pictures of your child's home learning on a daily basis, unless they are poorly, and a member of staff will feedback.
