

Positive Behaviour Policy

Agreed by Governing Body	April 2022
Review date	April 2025
Responsible for this policy	Sue Knowles

Philosophy

At Beeston Primary, we believe in positive behaviour management based on the good relationships fostered within the school community. We have high expectations, and utilise a wide range of strategies to encourage and reward all children in taking responsibility for their own actions.

Aims

- To encourage a calm, purposeful and happy atmosphere within the school.
- Provide a consistent approach to behaviour management
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- To foster positive, caring attitudes towards everyone, where achievements at all levels are acknowledged and valued.
- To encourage increasing independence and self-discipline, so that each child learns to accept responsibility for his/her own behaviour.
- To have a consistent approach to behaviour throughout the school with parental co-operation and involvement giving a common purpose.
- To enable children to make positive choices to correct their behavior.
Outline our system of rewards and sanctions

Roles and responsibilities

The Governing Body

The schools Governing Body is responsible for reviewing and approving the written statement of behaviour principles (**appendix 1**).

The Governing Body will also review this Behaviour Policy in conjunction with the Headteacher and monitor the policy's effectiveness, holding the Headteacher to account for its implementation.

The Headteacher

The Headteacher is responsible for reviewing this behaviour policy in conjunction with the Governors Pupil Support Committee giving due consideration to the school's statement of behaviour principles (appendix 1). The Headteacher will also approve this policy.

The Headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently

School Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording serious behaviour incidents on our electronic system.
- We may use the Reflection Room in response to serious or persistent breaches of this policy. Pupils may be sent to the Reflection Room during lessons if they are disruptive or their behaviour is dysregulated and a calm space is required. Children in the Reflection Room will be expected to complete the same work as they would in class.

The Senior Leadership Team and the Inclusion Team will support staff in responding to behaviour incidents.

Parents

Parents are expected to:

- Support their child in adhering to our School Rules
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

School Rules

Consultation with staff and children has taken place and the following four basic school rules have been decided upon. These simple rules can be interpreted at an appropriate level by every child and clearly understood by all.

Be safe

Walk calmly and quietly around the building
Look after yourself and each other
Talk to an adult if you are worried

Be Respectful

Always use good manners towards adults and peers
Look after our school environment

Be Honest.

Always tell the truth
Asking for help is okay

Be Responsible

Always try your best
Always follow instructions

Be Kind

Make friends
Resolve any fallouts

All staff will make every effort to ensure all children are engaged in meaningful tasks, which offer the appropriate level of challenge, with support where necessary. Children are encouraged to concentrate, stay on-task and become increasingly independent learners. Every child is valued and benefits from both public and private praise. The importance of self-esteem is never underestimated.

Pupil Reward System

Good behaviour is expected at our school and all members of school staff endeavor to promote and model the behaviour we expect to see. In addition, we think it is very important that children who are; polite, respectful, well-mannered and try hard with their learning are rewarded and made to feel proud of their choices.

At Beeston Primary, we believe that positive reinforcement of good behaviour is the most effective way of encouraging children to follow our school rules. Our Pupil Reward System encourages children to behave appropriately, whilst ensuring that every child is treated fairly and respectfully. Children are awarded points for their daily attendance, appropriate behavior in school and outstanding effort and achievement in their learning. Children will start each learning session on three points. Points will be deducted if children are not following classroom expectations and are placed on a step. **See Behaviour Steps**

Behaviour points earned can be used by the children to purchase items from our Reward Shop. Parents are able to access their child's individual reward account online to track their child's progress and achievements. Children's individual points will also be added to their allocated Houses' weekly points score. Totals for each house are unveiled by the House Captains in the school's weekly celebration assembly.

General Strategies used for Positive Behaviour Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom. They will create and maintain a stimulating environment that encourages pupils to be engaged. They will do this by:

- Clearly displaying their own classroom rules
- Developing a positive relationship with pupils, which may include:
- Greeting pupils in the morning/at the start of lessons
- Establishing clear routines,
- Communicating expectations of behaviour in ways other than verbally
- Identifying and acknowledging children who model required behaviours
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

Characteristics of Learning

The characteristics of learning are the rainbow principles which encourage our children to achieve their full potential and encourage positive behaviour by celebrating each of the characteristics our children display. These are celebrated through the giving of certificates in weekly assemblies.

The seven characteristics of learning are:

Reflective Red

Tangerine Teamwork

Why? Yellow

Growth Mindset Green

Brilliant Blue Me

Independent Indigo

Perfect Purple

Behaviour Steps System

In school, when dealing with unacceptable classroom behaviour, school staff follow our Behaviour Steps system. The aim of the steps is to re-focus and re-engage the child with as little disruption to learning as possible. Our Reflection Room is an isolation room manned throughout the day by school staff. Pupils are only sent to the Reflection Room if they are continually refusing to follow instructions or interrupting learning. This is Step 4 on our Behaviour Steps system.

FRIENDLY WARNING		EXAMPLES OF BEHAVIOUR
STEP 1	Move the child's name onto the step and remove one effort point on Pupil Rewards.	<ul style="list-style-type: none"> Silly noises Not following instructions Low level disruption Distracting others
	WARNING	
STEP 2	Explain expectations 5 minutes thinking time out/thinking time in the classroom Positive reinforcement Move the child's name to Step 2 and remove one effort point on Pupil Rewards.	<ul style="list-style-type: none"> Silly noises Not following instructions Low level disruption Distracting others
	WARNING	
STEP 3	Child sent to the Department Leader's Classroom for 10 minutes (or until calm) If your Department Leader is unavailable please send the child to another Department Leader A child may automatically move to STEP 3 where an incident is of a serious nature, for example, intentionally physically hurting another child, refusing to comply with an instruction from an adult, using inappropriate language or damaging school property. Move the child's name to Step 3 and remove all 3 points for that session on Pupil Rewards. The Department Leader will use positive reinforcement and decide on the next course of action. Department Leader to add note to CPOMS under behaviour related log.	<ul style="list-style-type: none"> Hurting other children Inappropriate language Continuously disrupting Learning fighting
	WARNING	
STEP 4	Child to be removed from class by a member of the Inclusion Team. Letter to be sent home to the parent- this is completed by the staff on duty in the Reflection Room and signed by the Department Leader. Child to be supported in the Reflection Room – Inclusion Team will radio for the member of staff on the Reflection Room rota to attend. If that person is absent then the year group leader must send a different member of staff as a replacement. This incident will be added to the pupil's behaviour record – Inclusion Team to add to CPOMS.	<ul style="list-style-type: none"> All of the above Refusal
STEP 5	Exclusion Parent to attend a meeting with a member of the SLT	<ul style="list-style-type: none"> Persistent disruptive behaviour. Verbal abuse or threatening behaviour against an adult. Serious assault of a child or member of staff Dangerous behaviour

Persistent misbehaviour will involve parents being called to speak with their child's class teacher, Key Stage Leader or a member of the Senior Leadership Team.

Children, who access learning in the Reflection Room three times in one week, or once in three consecutive weeks, will then be supported in school in accordance with our Behaviour Pathway Flow Chart. **(Appendix 2)**

In cases of extremely serious misbehaviour, fixed term or even permanent exclusion will be considered. Children who are unable to access learning in our school may be referred to external specialist provision.

Playground Rules and Sanctions

All Children should enjoy playing outside in safety. Adults in the playground will be positive role models.

Our playground rules are:

- Children should respect each other and treat each other kindly
- Children should be encouraged to play in a positive way and learn to resolve problems or conflicts in a non-physical way
- Children show respect towards all adults in the playground
- Children will be able to play freely unless it is judged that they are a danger to themselves or others
- Children will look after equipment and play sensibly with it, tidying up at the end of playtimes

Positive role models

- Adults will play and talk with children modelling positive attitudes such as tolerance, resilience and fairness.

- Adults will use positive language when talking to children about problems or conflicts, asking open questions such as ‘Why do you think xx is feeling unhappy?’, ‘What do you think you could have done?’
- Adults will give all parties the chance to speak before deciding if any sanctions are necessary
- Playground monitors will model good behaviour and assist children in finding friends to play with, tidying up and supporting adults on duty
- At the end of playtime adults remind children to stand still on the playground at the first bell and walk to their lines at the second bell.

Playground Behaviour Sanctions (Appendix 4)

Children will be given a verbal reminder when inappropriate behaviour is spotted and a chance to improve their behaviour. If unacceptable behaviour continues they will be taken to the Reflection Zone in the playground by the adult on duty to discuss and reflect on their behaviour. If this still does not address the issue then the child will be taken inside by an adult to the Reflection Room and will miss the remainder of their break time.

A child will be removed from the playground immediately if:

- They act in a way that is a danger to themselves or others
- They demonstrate aggressive or violent behaviour, verbal or physical – eg kicking, hitting, spitting, swearing, throwing objects
- Bullying behaviour - persistent incidences will be dealt with according to our bullying policy and procedures
- Deliberate breaking of equipment

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how ‘small’ they feel it might be.

The school’s response will be:

Proportionate

Considered

Supportive

Decided on a case-by-case basis

The school will be clear whether action taken is disciplinary, supportive or both. The school will make such decisions on a case-by-case basis, with the Designated Safeguarding taking a leading role. The Police and Children’s Social Care will be consulted where necessary.

The school has procedures in place to respond to any allegations or concerns regarding a child’s safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to Early Help
 - Refer to Children’s Social Care
 - Report to the police

Please refer to our Safeguarding and Child Protection child Policy for more information [\[insert link\]](#). Edit the above to reflect the processes you have in your child protection and safeguarding policy.

Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil or member of the public
- Could adversely affect the reputation of the school

Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our [Safeguarding and Child Protection Policy](#) for more information on responding to allegations of abuse against staff or other pupils.

Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

All staff are regularly Team Teach trained. Team Teach is award-winning 'positive handling' training which helps staff support children with challenging behaviour, emotional and behavioural difficulties or social, emotional and mental health issues. The approach is based on a risk reduction approach, involving de-escalation strategies, diversion and as a last resort physical intervention. All staff are familiar with DFE guidance '[Use of Reasonable Force](#) - advice for school leaders, staff and governing bodies' as well as the school's Policy for the Use of Reasonable Force.

Screening, Searching and Confiscation

Whilst it is unlikely that children will bring inappropriate items into school, confiscation of property may be necessary. In the event of any property being confiscated a member of the school's Senior Leadership Team should be informed immediately.

Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils.

Teachers have the power to search without consent where they have reasonable grounds for suspecting pupils may have a prohibited item. The prohibited items are:

- knives and weapons
- alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers fireworks
- pornographic images/videos
- any item that staff reasonably suspects has been, or is likely to be used to:
 - commit an offence
 - cause personal injury to any person (including the pupil)
 - damage to the property of any person (including the pupil)

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the [DfE's latest guidance on searching, screening](#) and confiscation. Parents will always be informed if their child has been searched. In the event of weapons, knives, stolen items or illegal drugs being confiscated, these will always be handed over to the police.

Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process. Behaviour management will also form part of continuing professional development.

Monitoring Arrangements

This behaviour policy will be reviewed by the Headteacher and the Governors Pupil Support Committee. At each review the policy will be approved by the Headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by Pupil Support Committee.

Links with other policies

This behaviour policy is linked to the following policies:

Exclusions policy

Safeguarding and Child Protection Policy

Anti-Bullying Policy

We value the support and co-operation of Parents. Parents are requested to work in partnership with the school and support the implementation of the Positive Behaviour Policy.

Appendix 1: Written Statement of Behaviour Principles

All children, staff and visitors have the right to feel safe, valued and respected at all times at school.

Every pupil understands have the right to learn free from the disruption of others

Beeston Primary School is an inclusive school. Bullying or harassment of any description is unacceptable. All members of the school community should be free from any form of discrimination. Measures to protect children should be set out in the Positive Behaviour and Equality policies, reflecting the duties of the Equality Act 2010.

Staff and volunteers set an excellent example to pupils at all times

The Positive Behaviour Policy is understood by pupils and staff.

High standards of behaviour are expected. The school rules should be clearly set out in the Positive Behaviour Policy and displayed around school. Rewards, sanctions and reasonable force are used consistently by staff, in line with the behaviour policy

Sanctions should be applied fairly, consistently, proportionally and reasonably, taking into account special educational needs and disability and the needs of vulnerable children. Support and assessment from external agencies should be available support as necessary for pupils who display continued disruptive behaviour.

The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in permanent and fixed-term exclusions

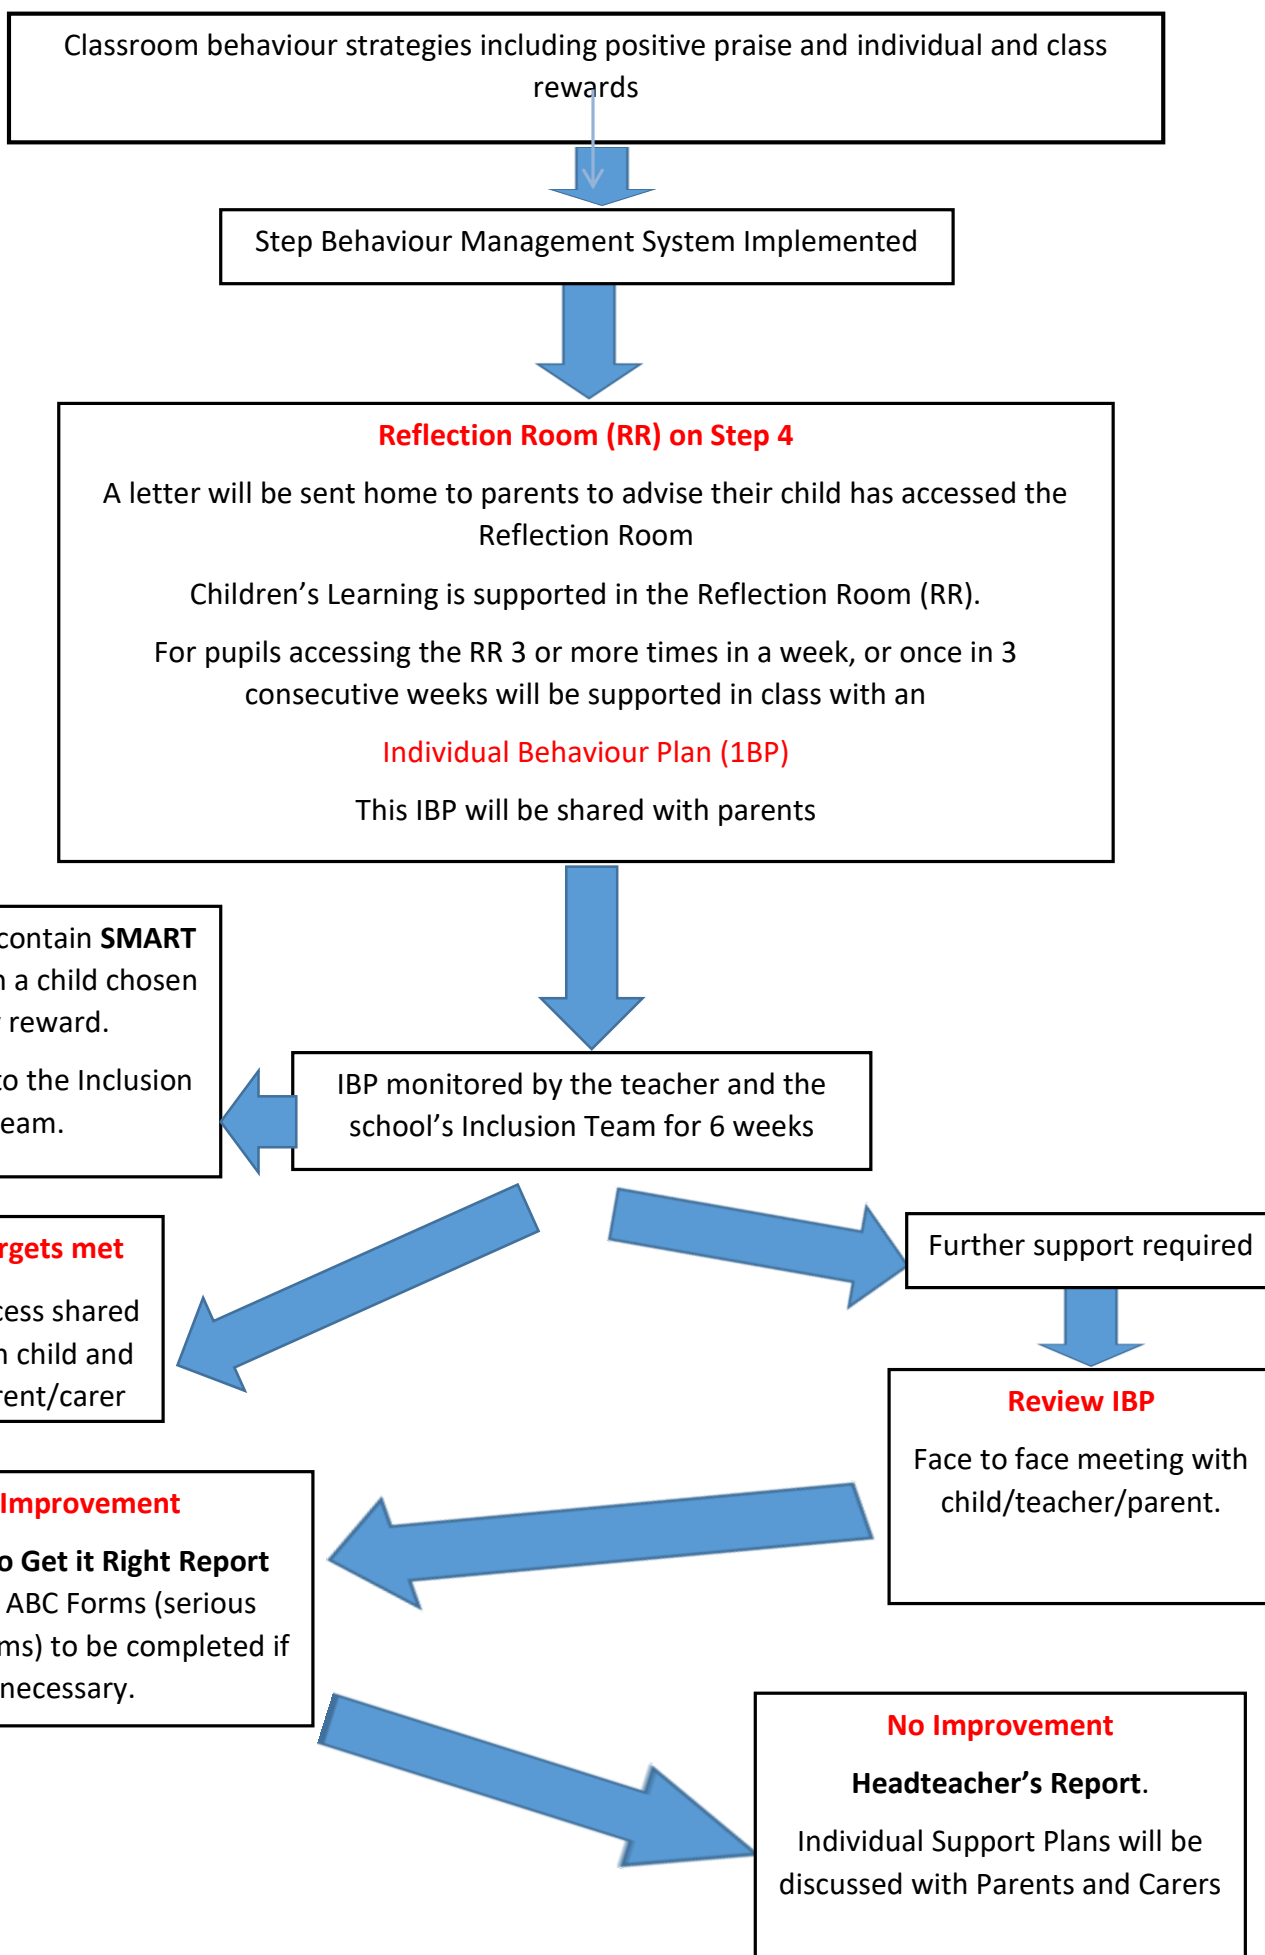

Pupils are helped to take responsibility for their actions

Families are involved in behaviour incidents to foster good relationships between the school and pupils' home life

The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents towards the school's staff will not be tolerated. If a parent does not conduct himself/herself properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution.

This written statement of behaviour principles is reviewed and approved annually by the Pupil Support Committee.
