Key Stage 2: Year 5 Home Learning

Dear Parents and Carers,

Outlined below are lessons your child could and should access if they are unable to attend school for any period of time. We have outlined suitable lessons that match our curriculum for each half term. Next to each subject heading are the appropriate web links and notes your child's teacher has shared with you. In addition to the below, we would suggest that your child should be reading for pleasure, this could involve reading with you or to you. They might prefer to have some quiet reading time by themselves or even read to their pet if they have one. This can include books, comics and magazines.
