2022

Who we are...

For those of you who might not know, Friends of Beeston are a volunteer group made up of parent, carer and teacher volunteers.

We were delighted earlier this term when some new people joined us for the AGM. Although we haven't had time for another meeting since, we hope that in September people will return, along with some parents and we can work on building the PTA. The more people that lend a hand, the more successful we will be and the more things we can achieve. At the moment it is very hard with so few members, so come along in September and see if you can help make a difference.

As always, you can connect with us via email at: FOBPTA@outlook.com

Friends of Beeston News

Lucky football winners!

Thank you to all those that supported us by buying tickets to win one of the Leeds United signed footballs, the raffle raised over £300!

13 lucky winners were drawn and they took home either one of the signed footballs, a LUFC water bottle or a LUFC bag. Well done to the winners, some of whom are shown below.

What we've raised in 2022.

We've been working hard this school year and even with limited numbers we've managed to raise a fair bit! Imagine what a difference we could make with more help. Could you assist and help us raise more funds for school? To give an idea of what we raised **before** costs were deducted the following events raised this much money:

Christmas Cards £329

Football Raffle £334

Beeston Festival £325

Cake Sale £86

Amazon Smile £22

How can I help?

What is the easiest way to help?

This one is a no brainer – if you shop online, you can use AmazonSmile, which sells exactly the same products as Amazon, and select Friends of Beeston Primary as your chosen charity. By doing this Amazon will make a quarterly donation to the PTA and the more people that use this service, the more money the PTA receives – the best part being, this is at NO COST TO YOU! Log in to smile.amazon.co.uk to sign up.

Easy Fundraising works in a similar way, log on to <https://www.easyfundraising.org.uk/> and select Friends of Beeston Primary as you chosen charity when shopping with many stores such as those shown below - check the website for a full list.

Dare we mention Christmas 2022..?

The PTA will again be organizing the Christmas Card project this year. Children design their own cards and then their design can be printed onto a variety of products, including cards, gift wrap and gift tags, as well as some more unusual items. This is always a popular scheme, payment will all be done online this year so it should be really simple to order.

Any help that can be offered to the PTA is massively appreciated, without volunteers the PTA wouldn't exist.
