School dinners feedback

Feedback from questions asked in classroom.

I shared e mail with school council regarding school meals and next steps, from Mrs Tidey.

Thank you to those children who also told me that they enjoy their school lunch and like eating with their friends calmly in their classroom.

I have a meeting with the Catering Leeds Supervisor about our school meals and how we serve them and I shall feedback all of your comments.

Mr Nicholson and I shall be looking at our lunchtime arrangements and doing our best to make some changes to improve things.

Once we have a plan we will let you know and then we will ask for your opinions again.

I am sorry that I cannot be at the meeting in person to tell you this but I know that Mrs Wilkinson will share this letter with you.

Keep up the brilliant work!

Mrs Tidey

Talked about some of the questions asked in the last meeting, however only 6 classes had been given School council time.

What activities should we have in our school and why?

More art, more football, different sections of the playground for games.

More adult support whilst playing games outside.

How would you make our school better?

Games that are more educational, corridor monitors, playtime and lunchtime games, adults to play more with us.

Thankyou

A big thankyou to all school council members, you have been an amazing team, and I am grateful for all your hard work over this academic year, hope you all have a lovely summer.

Actions and deadlines:

Mrs Tidey will update after her meeting.
