

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Engage, Enjoy, Enrich, Excel”

Monday 14th November 2022

Dear Parents and Carers,

As you are aware, Beeston Primary School was inspected by Ofsted last week. It was a two day inspection led by a team of four inspectors. Our last inspection was in 2017.

The inspection team focused on four key areas, these are as follows:

- The quality of education
- Behaviour and attitudes of pupils
- Personal development of pupils
- Leadership and management

Plus a separate judgement on early years.

Over the two days of inspection, lessons were visited, pupils and staff were interviewed and the leadership team were challenged on key aspects of school improvement. Furthermore, an in-depth investigation was carried out in the following subjects: maths, science and computing. Early reading, including the teaching of phonics, was inspected and a thorough examination into safeguarding was carried out.

The views of staff and pupils were gathered and many thanks to all those parents who provided such lovely comments about our school. It was really appreciated.

The final judgements from the inspection will be provided in a written report by the inspection team. This will be available in approximately 5 weeks' time. Once I am informed that the report is being published, I will send a link out to you all. I do believe that that inspection was a thorough and fair process and that the team left with an accurate picture of our lovely school.

Lastly, many thanks to our wonderful staff and governors for their constant hard work and dedication to our school and a big thank you to our pupils who conducted themselves brilliantly during the two day inspection.

Best wishes,

Mr Edensor
Headteacher
