

Beeston Primary School

Code of Conduct for Parents, Carers and Visitors

Date agreed by Governing Body	April 2023
Review date	April 2025
Person(s) responsible for this policy	Beeston Primary Governing Board

This Code of Conduct is an unsigned agreement between the Parent, Carer, Visitor and Beeston Primary School. The purpose of this code of conduct is to provide the expectations around the conduct of all parents, carers and visitors connected to our school.

Aims

At Beeston Primary School we are very proud and fortunate to have a very dedicated and supportive school community. At our school the staff, governors, parents and carers all recognise that the education of our children is a partnership between us.

We expect our school community to respect our school ethos, keep our school tidy and set a good example of their own behaviour both on school premises, when communicating with school staff and when accompanying classes on school visits.

In addition, we also expect our parents, carers and visitors to keep our children safe by adhering to the school's request to park safely outside the school gates during morning and afternoon collections.

As a partnership, we are all aware of the importance of good working relationships and all recognise the importance of these relationships to equip our children with the necessary skills for their education. For these reasons, we will continue to welcome and encourage parents and carers to participate fully in the life of our school.

We are committed to resolving difficulties in a constructive manner, through an open and positive dialogue. However, we understand that everyday misunderstandings can cause frustrations and have a negative impact on our relationships. Where issues arise or misconceptions take place, please contact your child's teacher who will be available to meet with you and go through the issue and hopefully resolve it. Where issues remain unresolved, please follow the school's complaints procedure. This is available on the school website or a copy can be requested from the school office.

This code aims to clarify the types of behaviour that will not be tolerated and seeks parental agreement to these expectations.

The code of conduct also sets out the actions the school can take should this code be ignored or where breaches occur.

Behaviour that will not be tolerated:

- *Disruptive behaviour which interferes or threatens to interfere with any of the school's normal operation or activities anywhere on the school premises.*
- *Any inappropriate behaviour on the school premises.*
- *Using loud or offensive language or displaying temper.*
- *Threatening in any way, a member of staff, visitor, fellow parent/carer or child.*
- *Damaging or destroying school property.*
- *Sending abusive or threatening emails or text/voicemail/phone messages or other written communications (including social media) to anyone within the school community.*
- *Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff/governors at the school, on Facebook or other sites*
- *The use of physical, verbal or written aggression towards another adult or child. This includes physical punishment of your own child on school premises.*
- *Approaching someone else's child in order to discuss or chastise them because of the actions of this child towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences)*
- *Smoking, taking illegal drugs or the consumption of alcohol on school premises. (Alcohol may only be consumed during authorised events)*
- *Dogs being brought on to the school premises. (other than guide dogs)*

Should any of the above occur on school premises or in connection with Beeston Primary; the school may feel it is necessary to take legal action by contacting the appropriate authorities or consider banning the offending adult from entering the school premises.

What happens if someone ignores or breaks the code?

In the event of any parent/carer or visitor of the school breaking this code then proportionate actions will be taken as follows:

In cases where the unacceptable behaviour is considered to be a serious and potentially criminal matter, the concerns will, in the first instance, be referred to the Police. This will include any or all cases of threats or violence and actual violence to any child, staff or governor in the school, This will also include anything that could be seen as a sign of harassment of any member of the school community, such as any form of insulting social media post or any form of social media cyber bullying. In cases where evidence suggests that behaviour would be tantamount to libel or slander, then the school will refer the matter to the school's Legal Team for further action.

Issues of conduct with the use of Social Media

Most people take part in online activities and social media. It's fun, interesting and keeps us connected. The PTA and school have a Facebook page which allows parents to receive and respond to messages about school events. We encourage you to positively participate if you wish.

Within these spaces however we ask that you use common sense when discussing school life online.

'Think before you post.' *We ask that social media, whether public or private, should not be used to fuel campaigns and voice complaints against the school, school staff, parents or children. We take very seriously the inappropriate use of social media by a parent to publicly humiliate or criticise another parent, member of staff or child.*

If parents have any concerns about their child in relation to the school, they should:

- 1. Initially contact the class teacher.*
- 2. If the concern remains they should contact the school office and request to speak to the Department Leader.*
- 3. If still unresolved, through the complaints procedure.*

At Beeston Primary School we take our safeguarding responsibilities seriously and will deal with any reported incidents appropriately in line with the actions outlined above.

Thank you for abiding by this code in our school. Together we create a positive and uplifting environment not only for the children but for all those who work and visit our school.

It is important for parents and carers to make sure any persons collecting their children are aware of this policy.
