“Engage, Enjoy, Enrich, Excel”

Monday 12th June 2023

Dear Parent/Carer,

Re: School Milk: 2023-2024

The cost of your child having school milk for the new academic year is £30. This runs from the start of the school year in September, to the end of the school year in July.

If you wish your child to have milk for the next academic year then please make payment via your child's [SchoolMoney](#) account **no later than Friday 7th July 2023**. When making payment please ensure you tick the “parental consent” box on the payment page in order to proceed.

If you are in receipt of benefits which qualify your child for free school meals, milk for your child may not be chargeable. If you would like your child to have school milk from September, please use the parental consent section in the drop down menu on SchoolMoney and follow the instructions to give consent for your child to have milk.

Please note without consent, your child cannot be added to the milk list. If you need any assistance then please contact the school office before Friday 7th July.

Unfortunately the milk order cannot be changed after Friday 7th July 2023. If you have not made payment by this date and given consent, your child will not receive school milk in September.

Yours sincerely,

On behalf of the Governing Board
Beeston Primary School

Headteacher- Mr. N. Edensor
