

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Engage, Enjoy, Enrich, Excel”

Dear Parents,

On the 16th June Beeston Primary will be celebrating Earth Day. The children will learn all about the environment, the importance of protecting it and how the children can help with this. The week following Earth Day, commencing 19th June is Sky Arts Week.

Sky Arts Week puts a big emphasis on encouraging children to find ways of being creative using things that they can find easily at home. Due to this, we thought this would be a lovely opportunity to show how items cannot just be recycled but also upcycled and made into something else. With this in mind we would like the children to bring into school some recyclable materials like; **cardboard boxes, cardboard tubes, cardboard cartons and cereal boxes**. With these the children will work on turning their recycled materials into houses and buildings. Each class will have the opportunity to do this, with the end product being ‘Beeston Primary’s Eco Village’ an artistic creation combining all the brilliant sculptures the pupils have made.

As a school, we believe this will be a great opportunity for the children to express their artistic ability, while also learning the importance of recycling.

Yours sincerely,

Miss Swan-Francis, Miss Campbell and Mrs Callaghan
