

Dear Parents, Carers and Friends of the school.

Welcome back to another exciting year at Beeston Primary School. It has been lovely meeting the children over the past week and to catch up with you all on the playground in the mornings.

I have enjoyed sharing holiday stories and finding out what adventures the children have had during August. There is a sense of calm throughout the classes and the Governors, staff and I are looking forward to building on our school's success this year.

I have also pleasantly noticed that more children are attending school on time. This is a great start to the new school year but will need to be maintained, especially as the dark mornings and wet weather commences.

A special welcome to our new parents and children who have recently joined our school. I hope you will enjoy your time at Beeston Primary School.

School uniform.

It is important that children have a sense of pride in their appearance. Therefore it is pleasing to see that all of our children are wearing their school uniform this year, including the correct footwear. Please refer to our school website for a list of appropriate clothing for pupils to wear during PE days.

We have only been back to school for one week and I already have a box of lost property. Please make sure that your child's name is clearly labelled on all items of uniform. We will be holding a lost property stall near the end of this half term for you to collect any lost items.

School club news.

We are increasing the amount and variety of clubs on offer for children this school year as well as offering daily tutoring of catch up classes after school. After school club communication will be

sent to parents shortly which contains further information. Please remember that places are limited and that we operate a 'first come – first served' approach to clubs.

Please only sign your child up for an after school club if you know that you can collect your child on time.

After such positive feedback from families, we will be continuing with our additional tutoring groups. These are run before or after school and are targeted at pupils who, with additional teaching time, will make further progress, ensuring that they have every chance to catch up to their peers. Mrs Jackson will be sending out further information this half term.

Summer building work.

The summer holidays is a time when we can focus on improving the school environment. Many classrooms, corridors and key areas of the school have been repainted, and new furniture sourced. We also had a new ramp built, ensuring a safe sloped entrance into school.

School dinners.

With the cooler weather approaching; a wide variety of tasty & nutritious hot meals are available at lunchtime.

This week is the start of our new 'School Grid' system for ordering pupils' school dinners online. Menus are available on SchoolGrid for you to view so that you can order your child's meals from the comfort of your home via your mobile.

If you have not already done so, please register your child's account using the welcome email link from SchoolGrid. Regular updates to all parents will be sent out using our text messaging service.

Please contact the school office if you need any assistance.

I look forward to seeing you all on the playground most mornings.

Best wishes,

Mr Edensor
(Headteacher)

Diary Dates

Training days for this school year

Weds 20th September
Wednesday 29th November
Friday 22nd December
Monday 22nd July 2024
Tuesday 23rd July 2024
School will be closed to pupils on these days.
