Dear Parent/Carer,

## **Re: School Milk: 2023/2024**

At Beeston Primary School, children in Foundation 2 are entitled to free milk until the term of their 5<sup>th</sup> birthday. Due to this, the cost for your child to receive milk for the academic year is as follows:

£30 if your child is born between September and December

£20 if your child is born between January and April

£10 if your child is born between May and August

If you wish your child to have milk for this academic year then please make payment via your child's SchoolMoney account no later than **Friday 29<sup>th</sup> September 2023**. When making payment please ensure you tick the “parental consent” box on the payment page in order to proceed.

If you are in receipt of benefits which would qualify your child for free school meals, milk for your child may not be chargeable. If you would like your child to have school milk from September, please use the parental consent section in the drop down menu at the top of the page on SchoolMoney and follow the instructions to give consent for your child to have milk.

Please note without consent, your child cannot be added to the milk list. If you need any assistance then please contact the school office.

Yours sincerely,

On behalf of the Governing Board  
Beeston Primary School
