

	
		Autumn 1 8 weeks	Autumn 2 7 weeks	Spring 1 4 weeks	Spring 2 6 weeks	Summer 1 6 weeks	Summer 2 7 weeks
Key Question		I wonder what is special to us... (them, families, likes, dislikes, interests, toys, places, stories, special jobs etc)	I wonder what's out of this world ... (space, aliens, dinosaurs)	I wonder what moves ... (people, animals, transport)	I wonder if it ever happened ... (explore fairy and traditional tales, history, events, people)	I wonder where they call home ... (countries, climate, ice worlds, deserts, habitats, houses and homes past and present)	I wonder what the world looks like in different seasons, health and safety, bodies, similarities and differences
Hook and Enrichment		Guide Dogs Visit	Alien's Landing Visitor: Outer Space DanTastic Education	Wheeled Toy Day	Trip: Stockeld Park HSBC Money Workshop	Dress up as an animal day	Bring in a picture of something as a
Area of Learning	Strand of Learning						
<b>Communication and Language</b>  Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Word Aware and NELI. Throughout the year children will: Learn to speak with confidence during circle/carpet times • Learn to listen and respond appropriately with relevant comments, questions or actions • Use appropriate story language to re-enact/re-tell simple and familiar stories • Learn new vocabulary relating to topics.	<b>Listening, Attention and Understanding</b>  <b>Speaking</b> 	The development of children's spoken language underpins all seven areas of learning and development. Children's <b>back-and-forth interactions</b> from an early age form the foundations for language development. The number and quality of the conversations they have with adults and peers throughout the day in a <b>language-rich environment</b> is crucial. By commenting on what children are in, doing, and echoing back what they say with <b>new vocabulary added</b> , practitioners will build children's language effectively. <b>Reading frequently to children</b> , and <b>engaging them actively in stories</b> , rhymes and poems, and then providing them with extensive opportunities to use and <b>embed new words in a range of contexts</b> , will give children the opportunity to thrive. Through <b>conversation</b> and <b>role play</b> , where children <b>share their ideas</b> with support and <b>modelling</b> from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a <b>rich vocabulary and language structures</b> .					
		<b>Welcome to FS2</b> Talk about experiences familiar to them Show an interest in other people's lives Begin to follow instructions Learn new routines Model talk routines through the day e.g. Good morning how are you? Talk about and share celebrations familiar to the children Share likes and dislikes Talk about how our families and homes are similar/different	Develop key vocabulary through provision, routines and carefully selected stories Listen and respond to stories; with a focus around sequencing, prediction (through 1:1 and whole class story sessions) Talk about experiences of our trip to Stockeld Park Talk about and share celebrations familiar to the children, taking part in discussions whilst remember the importance to listen carefully Describe events (Diwali, Bonfire Night etc) using stories, videos and personal experiences Listen to and engage in and talk about non-fiction texts Share Tapestry from home and allow	Continue to develop key vocabulary through provision, routines and carefully selected stories Develop and promote the ability to ask how and why questions Introduce Poetry Basket to develop awareness of rhyme Introduce weekly word studies Listen and respond to stories; encouraging children to join in with repeated refrains Talk about experience of wheeled toy day using sentence stems to develop sentence structure Listen to and talk about the past using stories, images and videos to promote an understanding Share Tapestry and allow children to share their own experiences Observe and discuss the changes we see taking place. Create a timeline and share ideas around what we would like to see.	Continue to and embed key vocabulary through provision, routines and carefully selected stories Continue to learn, embed and recite rhyme using Poetry Basket Develop children's story language further using Talk for Writing Talk about similarities and differences from the past: Philippe Petit using conjunctions 'because' and 'so' to encourage children to further explain their thoughts Form and discuss opinions which might be different to others, whilst learning how to tolerate this Share Tapestry and allow children to share their own experiences Outdoor Area building work: observe and discuss the changes we see taking place. Create a timeline and share ideas around what we would like to see.	Continue to and embed key vocabulary through provision, routines and carefully selected stories Observe and discuss different habitats using sentence stems and structures to articulate their understanding Ask questions based on what they hear and see Talk about similarities and differences of contrasting environments Articulate a life cycle they have seen Share Tapestry and allow children to share their own experiences	Continue to and embed key vocabulary through provision, routines and carefully selected stories Talk about experiences they've had Share feelings about what they anticipate Listen to each other's feelings about the trip and respond appropriately and kindly to their questions about the trip and observe the changes they see from baby pictures Share Tapestry with children to share their own experiences

			children to share in their own words what has been uploaded				
		Chop Chop, Pointy Hat, Five Little Pumpkins, Wise Old Owl, Falling Apples, A Basket of Apples, Leaves are Falling, Breezy Weather, Who Has Seen the Wind?, Cup of Tea, Mice, Shoes		Popcorn, A Little House, Pancakes, Let’s Put On Our Mittens, I Can Build a Snowman, Carrot Nose, Spring Wind, Furry Furry Squirrel, Hungry Birdies, A Little Seed, Stepping Stones, Mrs Bluebird		I Have a Little Frog, Dance, Pitter Patter Bread, A Little Shell, Five Little Peas, The Monkey Babies, Thunderstorm, Five Little Were So Very Small, Under a Stone	
<div>Personal, Social and Emotional</div> <div></div> <div>Throughout the year children are also taught how to keep themselves safe whilst using technology. This is delivered through discrete teaching opportunities e.g. Online Safety Week but also through daily routines such as learning that teachers send and receive emails, using the walkie talkies safely and through child led conversation.</div>	<div>Building Relationships</div> <div>Self-Regulation</div> <div></div> <div>Managing Self</div> <div></div>	Children’s personal, social and emotional development (PSED) is <b>crucial for children to lead healthy and happy lives</b> , and is fundamental to their cognitive development. Underpinning their personal, social and emotional development are the important attachments that <b>shape their social world</b> . Strong, warm and supportive relationships with adults enable children to learn how to <b>understand their own feelings and those of others</b> . Children should be supported to <b>manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist</b> and wait for what they need, and seek direct attention as necessary. Through adult modelling and guidance, they will learn <b>how to look after their bodies, including healthy eating</b> , and manage personal needs independently. Through interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which <b>children can achieve their full potential in later life.</b>					
		<div>Welcome to FS2</div> <div>Begin to establish relationships with adults and peers</div> <div>Learning and follow new routines</div> <div>Communicate with adults and peers how they feel</div> <div>Take responsibility for themselves: tidying up, going to the toilet, putting on their coat</div> <div>Create class rules</div> <div>Jigsaw: Being me in the world</div>	<div>Take part in new experiences; Stockeld Park</div> <div>Discuss strategies to manage fear or excitement</div> <div>Continue to develop and embed new routines and relationships formed in Autumn 1</div> <div>Take responsibility for their own actions</div> <div>Talk about self-help techniques</div> <div>Develop friendships and teach children how to be supportive and respectful of one another</div> <div>Provide children with opportunities to talk about how they have overcome challenges online</div> <div>Jigsaw: Relationships</div>	<div>Introduce Zones of Regulation</div> <div>Develop emotional literacy</div> <div>Develop vocabulary to describe emotions</div> <div>Talk about how to keep ourselves healthy</div> <div>Children share photos of their routines at home</div> <div>Continue to support children’s changing relationships and dynamics within friendships</div> <div>Discuss why we need to take turns, tidy up after ourselves whilst embedding new routines</div> <div>Learn ways to stay safe using technology using Smartie the Penguin</div> <div>Jigsaw: Healthy Me</div>	<div>Reinforce Zones of Regulation</div> <div>Continuing to support children’s changing relationships and dynamics within friendships</div> <div>Consider how our behaviour effects the way our friends feel and how this can impact our friendships</div> <div>Develop an awareness of wider school life and how we can build relationships with others; Anti-Bullying Year 6 Ambassadors</div> <div>Jigsaw: Healthy Me</div>	<div>Take part in new experiences; Zoo Lab.</div> <div>Discuss ways to manage fear or excitement</div> <div>Consider what in this world we need to care for and how we can look after our planet</div> <div>Set up Bug Hotels and create new habitats for the wildlife around us</div> <div>Help children to use strategies for staying calm when frustrated e.g. breathing deeply, finding a quiet space, counting to 10</div> <div>Jigsaw: Changing Me</div>	<div>Take part in new experiences; Transition W</div> <div>Share ideas</div> <div>Manage fear, excitement</div> <div>Consider other emotions</div> <div>Winning and losing</div> <div>Support children to manage their emotions</div> <div>Show resilience</div> <div>Perseverance</div> <div>Don’t go the easy way</div> <div>Transition in</div> <div>Support children to understand about this emotion</div> <div>Maintaining</div> <div>Extending relationships with new adults</div> <div>Oral Health</div> <div>Talk about our bodies</div> <div>Keep our bodies healthy</div> <div>Jigsaw: Cha</div>
<div>Physical Development</div> <div></div>	<div>Gross Motor Skills</div> <div></div>	Physical activity is <b>vital</b> in children’s all-round development, enabling them to <b>pursue happy, healthy and active lives</b> . Gross and fine motor experiences develop incrementally throughout early childhood with <b>sensory explorations</b> and the development of a <b>child’s strength, co-ordination and positional awareness</b> through tummy time, crawling and play movement with both objects and adults. Games and providing opportunities for play both indoors and outdoors, adults can support children to develop their <b>core strength, stability, balance, spatial awareness</b> , co-ordination and agility. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to e					

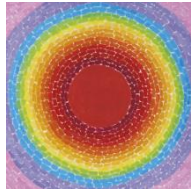

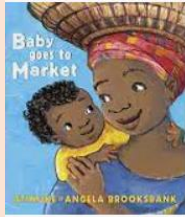

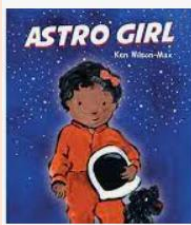

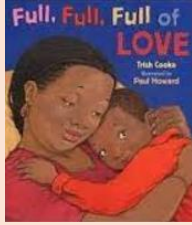

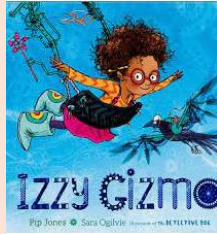

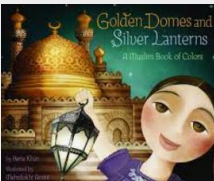

Children will also have the opportunity to take part in Physical Educational sessions delivered by an external coach.	<div>Fine Motor Skills</div> <div></div> <div>REAL PE</div>	Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop <b>proficiency, control and confidence.</b>						
		A multitude of activities supporting both fine and gross motor development will be planned for in both indoor and outdoor provision, on a daily basis. These will include weaving, mark making, painting, stamping, moulding, threading, tracing. Skill progression will differ depending on the child's individual stage of development. Fine motor skills will include dressing, eating and hygiene. Children will be taught and encouraged to fasten their own buttons, laces and zips. There will be multiple opportunities to run, climb, build, throw and catch whilst exploring a variety of ways to move. Outside, children will be able to assess and manage risk as they climb, balance and move in different environments through a variety of obstacles. Children will be provided with resources so they can practise skills they have learnt during PE lessons too. Activities will be both child initiated and adult directed. Other interventions, such as Dough Disco, will be planned and delivered whilst children's pencil grip will be monitored and supported throughout, at the appropriate level.						
		Throughout the year children will be provided with multiple opportunities which will strengthen some of the key stages of physical development. These are not confined to specific points in the year but are in line with the children's next steps.						
		<div>Shoulder Pivot</div> <div>Children will learn to support reach, grasp and walk using muscles in their pelvis, back, shoulders, arms and neck.</div> <div>Painting with mops, digging, painting in big spaces, seeping, pushing large objects, scooter play.</div>	<div>Elbow Pivot</div> <div>Children will be able to use movement further down their arm.</div> <div>Chalking on the floor, water and sand play, hammering objects, creating large patterns, climbing and pulling, ribbon twirling and writing in the air.</div>	<div>Wrist Pivot</div> <div>Now that arm muscles and the sense of balance has developed smaller ranges of movement can begin.</div> <div>Threading, sewing, lacing pictures, water and sand play</div>	<div>Fine Motor Strength</div> <div>Children need to develop their fine motor skills. This means muscles in their hands can strengthen.</div> <div>Washing lines and pegs, dressing and undressing toys and their clothes, using cutlery, pag boards, malleable amaterials, tweezers.</div>	<div>Pencil Grip Development</div> <div>According to their stage of development children will progress through stages of pencil grip. Initially the children have been able to develop their gross and fine motor skills. Doing so will allow them to use a pencil efficiently.</div> <div></div>		
Literacy Possible Texts	<div>Comprehension</div> <div>Texts are carefully planned out to ensure a wide expose to different genres and authors. A love for reading is promoted through daily story times and weekly library visits. Reading is shared with parents/carers through Boom Reader and other workshops.</div> <div></div> <div>Writing</div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	<div>Key text:</div> <div></div> <div>Supporting texts:</div> <div></div>	
		Writing Opportunities	<div></div>	The opportunities below are delivered through small group focus work. Opportunities for writing are also set up in provision, inside and outside, linking to children's interest and themes personal to them. Children will be supported to develop a tripod grip, apply skills they have been taught with independence and, above all, be encouraged to develop a confidence towards mark making and writing activities. Writing opportunities are pitched appropriately for children of different abilities, ensuring challenge whilst allowing children to achieve their own success.				
								

		Draw a family picture Draw and label a self portrait Create a map of their journey to school Use the 'That's not my' books to inspire writing their own words/phrases/sentences	Wanted poster What would we need to take to space? Speech bubble: Whatever Next	Non-Fiction linked to Moving Toy Day Writing linked to 'Stockeld Park trip' Dear zoo inspired writing – focus on descriptions.	Talk for Writing: The three little pigs Instructions (How to make gingerbread) Sentence writing linked to favourite tales	Non Fiction linked to animals from different habitats. Handa's Surprise recount, story maps	Non Fiction linked to animals in the world Sentence writing linked to sea stories Recount linked to a book
	<b>Skills Focus</b>	Talking and describing the marks made Drawing a map Writing lists and labels	Write a list Using adjectives Writing in phrases	Beginning to write in sentences Writing facts Using repeated refrains Begin to use capital letters and full stops	Using story vocabulary Using verbs in writing Refining sentences Develop the use of capital letters and full stops	Writing facts Include time openers Develop the use of capital letters and full stops	Developing writing skills Write multiple sentences Develop the use of capital letters and full stops

<b>Mathematics</b> <i>White Rose Mastery</i>  At BPS we follow White Rose Maths. However, children's needs are paramount to our teaching and tweaks will be made to ensure children's needs are being met if necessary	<b>Number Numerical Patterns</b> 	<i>Getting to Know You</i> Settling in, developing understanding of classroom provision and routines.  <i>Just Like Me</i> Match and Sort Compare Amounts Compare Size, Mass & Capacity Exploring Pattern  <i>Consolidation</i> Review the half term learning and support children as appropriate	<i>It's Me 1 2 3!</i> Representing 1, 2 & 3 Comparing 1, 2 & 3 Composition of 1, 2 & 3 Circle and Triangles Positional Language  <i>Light and Dark</i> Representing Numbers to 5 One More and Less Shapes with 4 sides Time  <i>Consolidation</i> Review the half term learning and support children as appropriate	<i>Alive in 5!</i> Introducing zero Comparing numbers to 5 Composition of 4 & 5 Compare Mass Compare Capacity  <i>Growing 6, 7, 8!</i> 6, 7 & 8 Comparing 2 amounts Making pairs Length & Height Time	<i>Building 9 and 10</i> Counting to 9 & 10 Comparing numbers to 10 Bonds to 10 3D shapes Spatial Awareness Patterns  <i>Consolidation</i> Review the half term learning and support children as appropriate	<i>Find my Pattern</i> Doubling Sharing & Grouping Even and Odd Spatial Reasoning Visualise and Build  <i>First Then Now</i> Adding More Taking Away Spatial Reasoning Compose and Decompose	<i>To 20 and beyond</i> Building number understanding Counting beyond 10 Spatial Reasoning Match, Sort, Measure  <i>On the edge</i> Deepening understanding of patterns Relational thinking Spatial Reasoning Map making  <i>Consolidation</i> Review the half term learning and support children as appropriate
<b>Understanding the World</b> 		Understanding the world involves guiding children to <b>make sense of their physical world and their community</b> . The frequency and range of children's personal experiences increases their knowledge of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with the world that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.					

	<b>People, Culture &amp; Communities</b> 	<p>Identify and name members of their immediate and extended family, commenting on photos; naming who they can see and what relation they are to them.</p> <p>Share what they do with their family and places they have been with their family.</p> <p>Compare similarities and differences between other families. Name and describe other people who are familiar to them and in our community.</p> <p>Read fictional stories about families and begin to understand the difference between fact and fiction.</p> <p>Recognise that people can have other beliefs and celebrate special times.</p> <p>Talk about aspects of their familiar world such as where they live and their school setting.</p> <p>Navigate our classroom and outdoor areas.</p> <p>Create maps to show their journey to school and local landmarks.</p> <p>Celebrate Katherine Johnson and her contribution to science.</p> <p>Learn about important figures from our past: Black History Month</p> <p>Discuss celebrations we do/do not all celebrate and how people do this</p> <p>Identify important people in our</p>	<p>Discuss celebrations e.g. Bonfire Night, Diwali and Christmas.</p> <p>Look at photographs on Tapestry to allow children to share celebrations from their life</p> <p>Use a map whilst comparing how different people celebrate Christmas around the world.</p> <p>Recognise the similarities and differences in ways people celebrate.</p> <p>Celebrate Neil Armstrong and Mae Jemison and their contribution to science.</p> <p>Introduce children to NASA and America, locating its place on a map.</p> <p>Explore movement in space by watching videos and recreating this.</p> <p>Discuss how people's actions influence the future.</p> <p>Talk about similarities and differences of two planets.</p> <p>Recognise and discuss how the moon differs from the environment we live in.</p> <p>React to seasonal/weather changes e.g. snow, ice.</p>	<p>Discuss certain celebrations e.g. Chinese New Year.</p> <p>Continue to recognise that the world is made up of different countries (England and China).</p> <p>Explore and talk about how a child's life might be different/the same.</p> <p>Consider how toys and transport have changed over the years; linking this to special occupations.</p> <p>Identify similarities/ differences of transport from the past using photographs and videos. Study, explore and handle artefacts.</p> <p>Comment on what they can see and compare to a similar object from today.</p> <p>Identify roles in our community linked to transport.</p> <p>Identify and compare how they travel.</p> <p>Encourage children to describe and comment on changes in the environment.</p> <p>Talk about their own experiences over the Christmas holiday period using extended sentences.</p> <p>To explore a range of jungle animals, naming and labelling them.</p> <p>To move in different ways considering how an animal moves.</p> <p>Learn about important figures from our past: Mary Anning, a palaeontologist and provide children with a fossil finding activity.</p>	<p>To debate if Philippe Petit did walk between the two towers and children to explain their thoughts using 'so', 'because'. Consider if this could happen in our environment, using video clips, linking to Cross Flatts buildings.</p> <p>Identify and talk about our environment and the changes that Spring presents.</p> <p>Discuss and describe Easter.</p> <p>Observe and draw pictures to document what they've seen. Talk about what they can see, hear and feel during the changes.</p> <p>Talk about what a plant needs to grow; link to Jack &amp; the Beanstalk story.</p> <p>Children to explore multiple experiences and a range of processes first hand.</p> <p>Colour mixing in ice, creating race tracks using different materials and using magnets around the classroom (Science Week)</p> <p>To observe and discuss the changes which take place during baking gingerbread.</p>	<p>Celebrate Eid and share children's experiences, learning more about this festival using books, videos and photographs sent in by parents/carers.</p> <p>To compare and contrast different habitats using fiction and non-fiction texts alongside video clips.</p> <p>Talk about how these environments compares to theirs.</p> <p>Explore and comment on similarities and differences of houses and homes, past and present.</p> <p>Identify the features of animals through observation and conversation.</p> <p>Use maps to develop awareness of their place in this world. Use Google Maps so children can see Leeds and talk about features they notice.</p> <p>Learn vocabulary to describe contrasting environments e.g. cold and hot</p> <p>Observe and describe the life cycle of a butterfly.</p> <p>Consider what our Eco Hub needs to promote urban wildlife. Identify what we need to include for animals to thrive.</p> <p>Observe, identify and discuss changes of plants.</p> <p>Use images, video clips, shared texts and other resources to bring the wider world into the classroom.</p>	<p>To describe life cycle.</p> <p>Talk about c and similarities and now using photographs.</p> <p>Consider how likes/dislikes as well as physical appearance.</p> <p>Talk about I too; moving going on how older family and staff. Ta change over time.</p> <p>Promote a s using food v Worm Villa.</p> <p>Respond to hear and see natural world.</p> <p>Encourage I they hear, s in the natur</p> <p>Listen to the conversation change and and support feelings and</p> <p>Involve child development outside area</p> <p>Observe sea changes and of seeds and observation, pictures of t world, includ and plants.</p> <p>Comment on different bea</p>

		community and discuss different occupations and who can help us.						
<div>Expressive Arts and Design</div> <div></div> <div><i>This area of learning is promoted daily through a variation of activities, including painting, 3D modelling, messy play, collage, cutting, drama, role play, threading, moving to music, sculptures, following music patterns with instruments, singing songs linked to topics, making instruments, percussion.</i></div>	The development of children’s artistic and cultural awareness supports <b>their imagination and creativity</b> . It is important that children have regular opportunities to <b>engage with the arts</b> , enabling them to explore and play with <b>media and materials</b> . The quality and variety of what children see, hear and participate in is crucial for developing their understanding, <b>self-expression, vocabulary and ability to communicate through the arts</b> . The repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.							
	<div>Creating with Materials</div> <div></div>	<b>Drawing:</b> Identify features of themselves and when drawing a self-portrait (enclosing lines): do they draw definite features?	<b>Drawing:</b> Observational drawings of autumnal objects exploring tones and shades	<b>Scissor Skills:</b> Crafts linked to Chinese New Year.	<b>Drawing:</b> Observational drawings of spring plants adding specific details and tones of colour		<b>Drawing:</b> Create a self-portrait to the start of the year.	
		<b>Painting:</b> use readily available resources to reach a desired outcome	<b>Printing:</b> print using various tools to create a new shape. Begin to mix colours commenting on the change	<b>Painting:</b> use powder paint effectively, learning how to use them, commenting on the different outcomes	<b>Painting:</b> mix colours with intent, talking about primary colours, to reach a desired colour.	<b>Painting:</b> explore, recognise, create patterns using watercolours	<b>Painting:</b> Follow a recipe to make work using watercolours. Explore the different textures using Eric Carle’s Tiny Seed.	
		<b>Sculpture:</b> learn and embed beginning Dough Disco techniques	<b>Sculpture:</b> choose certain tools depending on their function to add detail e.g. imprints and impressions		<b>Sculpture:</b> Explore links between baking gingerbread and the malleable area, encouraging children to use skills learned.	<b>Sculpture:</b> Learn about, discuss and interpret Andy Goldsworth and recreate art work using his influence 	<b>Sculpture:</b> Recreate a parrot cycle e.g. by using clay. Evaluate and amend as needed though the process.	
		<b>Collage:</b> revisit and consolidate using previously learned techniques. Explore art work linked to Black History Month: Alma Thomas 	<b>Textiles:</b> use a simple running stitch to create a puppet	<b>Collage:</b> Layer materials to create a landscape	<b>Baking:</b> combine ingredients to make dough. Talk about how the ingredients change throughout the process e.g. appearance and texture	<b>Collage:</b> Discuss colour and tone linked to contrasting environments and create ‘Hot and Cold’ collages.	<b>Collage:</b> Recreate a scene using watercolours. Explore the different textures using Eric Carle’s Tiny Seed.	
		<b>Construction:</b> Build models using large construction equipment.	<b>Construction:</b> Use smaller junk modelling materials to construct alien spaceships.	<b>Construction:</b> use resources, levers and pulleys to create an object which can move. Talk about what went well and what didn’t.	<b>Construction:</b> Experiment and consider the resources needed to create boats for the Gingerbread Man.	<b>Construction:</b> Design, discuss and construct habitats using small and large construction and art tools.		
	<div>Being Imaginative &amp; Expressive</div> <div></div>	Rehearse nursery rhymes taught in Nursery to sustain fluency. See Nursery LTP. Introduce new poems through Poetry Basket, see Communication and Language strand.						
		Join in with songs and music they recognise and begin to move to music they don’t. Develop storylines in their pretend play.	Watch and enjoy a pantomime at Stockeld Park. Talking about what they experienced.	Listen to and recreate movements using the text ‘Walking through the Jungle’. Listen and respond to music which links to the ways animals move e.g. fast paced music for	Explore different dinosaur movements to different sounds. Act out different fairy tale events e.g. Billy Goats Gruff. Create their own versions of traditional and fairy tales.	Model using the new instruments and stage outside to create their own music and performances.	Charanga: Explore different rhythms – see Perform Poetry poems in small groups and for some	

		<p>Sing call-and-response songs, so that children can echo phrases of songs you sing. Create sound patterns using body movements. Perform Poetry Basket poems as whole class.</p>	<p>Perform and develop storylines to act out alien invasions in small world play. Learn songs and sing in a group, from memory, and perform Nativity. Listen to music and sounds of Bonfire Night. Discuss changes within the music. Talk about how these sounds make us feel and want to move. Use instruments to accompany a beat whilst listening to contrasting music. Perform Poetry Basket poems as whole class.</p>	<p>a spider scurrying and slow, low music for an elephant thumping. Discuss changes within the music. Play music during Dough Disco and times where children can move freely and for fun. Discuss changes within the music. Take photographs of the children acting out emotions: introduce Zones of Regulation. Discuss how facial expressions and body language help us to communicate/understand feelings. Perform Poetry Basket poems in smaller groups.</p>	<p>Extend role play providing children with costumes and other props and model using these in play. Listen to and respond to BBC Philharmonic: Musical Story of the Gingerbread Man. Perform Poetry Basket poems in smaller groups.</p>	<p>Explore unfamiliar music by learning a traditional African song and dance, encouraging children to perform it. Explore how people from different cultures might dress. Show how this is represented in the UK and other countries. Perform Poetry Basket poems in smaller groups and for some, solo.</p>	
<b>British Values</b>		<p><i>Democracy</i> We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We have the opportunity to play with who we want to play with. We listen with intrigue and value and respect the opinions of others.</p>	<p><i>Rule of Law</i> We all know that we have rules at school that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary.</p>	<p><i>Mutual Respect</i> We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned, respected, and celebrated</p>	<p><i>Mutual Tolerance</i> Everyone is valued, all cultures are celebrated and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith.</p>	<p><i>Individual Liberty</i> We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different.</p>	<p><i>Recap all of the British Values underpinning the curriculum. Fundamental British Values underpin the curriculum. It is to be a modern and diverse Great Britain. We are celebrating the fact that everyone is different. We understand and celebrate the fact that everyone is different. We understand and celebrate the fact that everyone is different.</i></p>
<b>Equality and Diversity</b>  Equality and Diversity is taught throughout the year in many different ways. Conversations are often organic and presented by the children themselves. Other learning opportunities are adult led. Another way we encourage our children to be aware of how people's lives can be different to one another is through books.	<p>BAME main characters</p>
