

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Engage, Enjoy, Enrich, Excel”

Monday 6th November 2023

Dear Parents/Carers,

Earthquake and Volcano workshop

This half term, we are enhancing the curriculum and we are delighted to share some exciting news with you about an upcoming event. On Thursday 30th November, our school will be hosting a special visitor. Year 3 will be visited by a team, who will be delivering a workshop on earthquakes and volcanoes. Through drama they will:

- Explore different myths behind earthquakes and volcanoes
- Understand the science behind earthquakes and volcanoes and why they occur
- Examine of recent Earthquakes
- Look at the Human experience volcanoes and earthquakes and how they affect communities.

To make these amazing experiences happen, we really need your support. We're asking for a £4 contribution from each child to help us fund the visit. The Governing body of Beeston Primary School want as many children in school as possible to have the chance to take part in experiences like these. To make that happen, they have agreed that school will contribute towards the costs. These experiences cannot happen without the support of our families also helping towards the cost. Payment for the trip can be made using our online payment system SchoolMoney.

Unfortunately, if we do not receive enough towards the cost of this visit, we will have to make the decision to cancel this workshop,

If there are any queries, do not hesitate to get in touch.

Kind regards,

Mrs Swain
Department 3 Leader
