

DT Long Term Plan

	Autumn	Spring	Summer
FS	<p>A multitude of activities supporting both creative, fine and gross motor development will be planned for in both indoor and outdoor provision, on a daily basis. These will include; cutting, weaving, mark making, painting, stamping, moulding, threading, tracing, using one handed tools, drawing and talking about what they are making. Skill progression will differ depending on the child's individual stage of development. Fine motor skills also include eating and hygiene.</p> <p>Examples of these are building space ships, making fruit sticks, planning a party and making cakes, building obstacle courses for balancing and climbing.</p>
