

Geography Long Term Plan 2023/24

	Autumn		Spring		Summer	
FS1	All about me Autumn	Celebrations and change	Birthdays and family celebrations	Different occupations	Our environment and change	Holidays
FS2	'I wonder what makes us special' Families/ Our Environment	'I wonder what's out of this world' Autumn/Seasons	'I wonder what moves' Chinese New Year	'I wonder if it ever happened' Observing how things have changed	'I wonder where they call home' Habitats in our local community	'I wonder what changes look like' Transitions
Geography is taught mainly through the Understanding the World strand of the EYFS curriculum. It is also targeted through the I wonder topics, in provision and is tailored to the children's interests. When Geography is taught the curriculum icon is used and children are explicitly told that they are being Geographers doing Geography.						
Y1	Local Area – Beeston (Locational knowledge, Geographical skills and fieldwork) Trip/local links	Geography not taught this half term	Geography not taught this term	Continents and Oceans (Locational knowledge, physical features, Geographical skills)	An Island Home – Katie Morag (Human and Physical, Geographical skills and fieldwork)	Geography not taught this term
