

Beeston Primary School Admission Policy 2025/26

Policy determined on:	02.05. 2024
Policy determined by:	Beeston Primary Governing Body

Admission Policy for Beeston Primary School for admission in September 2025

Leeds City Council makes the offer of a school place at Beeston Primary School for Reception on behalf of our Governing Body who are the admitting authority.

The Governing Body of Beeston Primary School are responsible for determining the school's admissions policy.

For applications in the normal admissions round (entry into Reception in September), all applications will be processed in accordance with the co-ordinated Leeds City Council admissions scheme.

If your home local Authority is Leeds City Council, applications can be made online at www.leeds.gov.uk/admissions.

The closing date for applications for starting Reception in September 2025 is **15th January 2025**.

All offers for places in Reception will be made by Local Authority on **16 April 2025**.

Application process (normal round)

When applying to start Beeston Primary School in the entry year, all applications are coordinated by local authorities across England.

You apply to your home Local Authority (the council who empty your bins) by the closing date of 15 January 2025. All offers will be made by your home Local Authority on offer day 16 April 2025.

Applying after the national closing date

If you apply after the national closing date, the Local Authority cannot guarantee to consider your preferences at the same time as those received on time. Until 12 February, all applications submitted or changed will be treated as if they were on-time.

After 12 February, any applications submitted or changed will only be considered after allocations have been made for all on-time applications, unless there are exceptional reasons for the late application agreed by the local authority.

All applications submitted after 28 February are considered late and won't be allocated a school place until after national offer day.

Published Admission Number for Reception

90 places will be available at Beeston Primary for entry into Reception in September 2025.

Where Beeston Primary is the school named on a child's Education Health and Care Plan (EHCP), the child will be given a place at our school.

Where school has more applicants than places (called being oversubscribed) places will be offered to children in the following order of priority:

Priority 1 – Looked after and previously looked after children

A looked after child is defined as a child who is (one of the following):

- in the care of a local authority
- being provided with accommodation by a local authority's social services (see the definition in Section 22(1) of the Children Act 1989).

A previously looked after child is any child who was previously looked after but stopped being so because they were (one of the following):

- adopted, including those adopted from state care outside of England
- became subject to a Special Guardianship order
- became subject to a Child Arrangements Order
- were in state care outside of England and were then adopted

You must submit evidence of your child's previously looked after status (a copy of the court order or adoption birth certificate and evidence of being in local authority care or state care outside England) with your application.

Priority 2 – Children with exceptional social or medical needs that can only be met at a specific community and voluntary controlled primary school

This priority is a request for admission to one specific school because your child has exceptional needs that can only be met at that school. It must be supported by professional evidence.

All schools in Leeds have experience in supporting a wide range of social and medical needs. However, in exceptional cases, there may be compelling reasons why a child needs to attend one specific school. This priority can be requested in these cases, and applicants will need to clearly demonstrate the connection between your child's need, the specific school and how that school can meet your child's needs in a way that no other school can. It must be supported by professional evidence. A panel of council officers will review your request for this priority.

A request would not be granted where a parent wishes for their child to attend a school based on the child's abilities, because their friends attend the school or due to childcare arrangements. Any request for this priority must outline why the child's circumstances are exceptional, and why only one school is suitable.

You can find out more about this priority at www.leeds.gov.uk/schools-and-education/school-admissions/check-if-you-need-to-submit-extra-information

You must provide the following information with your application:

- your child's name, date of birth and address
- the name of the one school you are requesting this priority for
- what precise support your child requires due to their specific needs
- why only our school can provide the support needed to meet your child's needs and no other can

- what extra support or funding your child currently receives
- you must attach supporting evidence from an independent professional, such as a medical specialist which confirms exactly what your child's needs are and why, in their view, only one school can meet that need. Without this evidence, your child's needs cannot be considered

Cases will be considered individually and where necessary in consultation with the school.

Priority 3 – Children who have a brother or sister attending the school

To get this priority, the sibling must:

- live at the same address as the child applying
- be attending the school and still be expected to attend the school when the child applying starts
- be a full, half, step or foster sibling (this priority does not include cousins or other family members sharing a house)
- Sibling priority does not apply to a sibling attending our nursery

Priority 4 – Children who live in the catchment priority area for our school

We will give priority to applicants who live in the defined catchment priority area for the school. The maps showing the defined catchment priority area for Beeston Primary is shown at the end of the policy as **appendix 1**.

You can apply for any school but if you live in our catchment area it means your application will receive a higher priority at our school than applicants who live outside the catchment area. Living in the catchment area does not guarantee a place at the school.

Priority 5 – other children, by straight line distance

If none of the other priorities apply, your application will be considered under this priority.

If children meet the same priority (tie break)

In any priority, if children meet the same priority but there are not enough places left for all of them, the places will be allocated based on distance from the school. For example, if 4 places are remaining at the school and 5 children all live in the priority catchment area, the 4 priority catchment children living closest to the school will be allocated those places.

If two or more children live the same distance from the school (i.e in a block of flats) and there are not enough places for both, we will draw lots. This will be witnessed by an independent person.

We will not draw lots for twins or other multiple birth siblings from the same family. Where they are tied for the final place we will admit them all, exceeding the Published Admissions Number for the school.

Definitions and Special circumstances

Distance measurements

Leeds City Council use a straight line distance system. The program measures the straight line distance from a defined LLPG point on the main school building to a defined point on your home address.

The point we measure to at your home address is set by the Local Land and Property Gazetteer (LLPG), which provides coordinates for every property. If we are not able to match your address with the LLPG then we will identify a point at the centre of your home.

Temporary School Site

If the school has to move to a temporary site for any reason, such as the building being damaged by a fire, distance measurements will be based on the school's permanent site.

Which address to use

When you apply for a school place you must use the child's permanent address, where the child usually lives with their parent or carer- this is the address of a person holding parental responsibility for your child. You must not use any other address on your application.

Using the address of a childminder, a relative or renting a property for a short period of time in order to secure a school place is considered as a fraudulent application. Leeds City Council will investigate all queries about addresses and they could change the school place offered. If an intentional misleading or false address has been given to get a school place, the school place may be withdrawn even if the child has already started at the school.

If a child lives in different properties (shared care)

Only one address can be used on your application for a school place, and this should be the parent address where the child lives for the majority of the week. In cases of equal shared care, both parents must agree which address will be used on the application.

For applications made in the normal round, if there is no agreement, Leeds City Council will decide which parent address will be used, based on where the child spends the majority of the school week. If the child spends equal time with each parent, we will use the address where the child is registered with their doctor at the closing date.

If parents disagree on an application made in the normal round

Only one parent can submit a school place application and we cannot resolve disputes between parents – only a family court can do this.

When you apply, you are confirming you have the consent of all other persons to make the application. If we receive two conflicting applications, both applications will be placed on hold (and school places may have to be offered to other applicants) until we have received (either):

- written evidence that everyone holding parental responsibility agrees the application
- a Court Order specifying who should apply

We may be required to allocate a place at the closest school to the child's home with spaces remaining available if the child needs a school place offer.

Moving Home

When the Local Authority make an offer, they assume your address will be the same when you take up the school place in September. If you are planning to move house, you must still use your current address on your application. As soon as you move house, you must tell them your new address and provide proof of the house move, including evidence you've permanently left the old address and evidence of your new address. More information on making changes to your application can be found at [making changes to your application](#)

Accepting Offers

Parents will be asked to accept the offer of a place directly with our school. This will not affect your position on any waiting list for a higher preference, or the right to appeal. Parents who do not wish to accept the offer, or do not accept the offer within a reasonable time, may have the place withdrawn. This may leave your child without a school place in September.

Waiting List

The Local Authority hold a waiting list after national offer day. How to add your child to a waiting list will be explained in the offer letter you are sent.

If you ask that your child is added to a waiting list after offer day and a place becomes available before the new school year starts, your child will automatically be allocated the place at your higher preference school and their place will also automatically withdraw at the lower preference school to give it to another child.

The Local Authority hold waiting lists for all the year groups as follows:

- your child's place on a list is decided by the oversubscription criteria in accordance with this admission policy (the rules for prioritising places)
- each time a child is added or removed, the list is ranked again and your child can move down if another child meets higher criteria
- the waiting list will close at the end of the academic year (July). You must reapply for a new school place to be on the list the following year
- looked after children, previously looked after children and those allocated a place at the school in accordance with a Fair Access Protocol take priority over those on a waiting list

Nursery

To apply for a place in our Nursery, please contact the school office for an application form. A place in a nursery does not guarantee a place in the school. Parents must apply for a school place if they want their child to transfer to the reception class.

When your child must start at school (compulsory school age)

All children can start Reception in the September after they turn four and most children thrive when starting school at age four.

You must ensure your child has a full time education from when they reach compulsory school age. Your child reaches this on 31 December, 31 March or 31 August after their fifth birthday (whichever comes first).

Once you have a school place offer, you have the right to defer the date your child is admitted to the school until

- later in the school year but not after the date at which your child becomes compulsory school age (see below)
- and not after the beginning of the final term (after Easter break) of the school year the offer was made

If you do not think your child will be ready to start in September, speak to school about starting part time, or after Christmas or Easter break.

Admission out of chronological age (including deferment for summer born children)

You can ask for your child to be admitted outside of their normal age group, for example if your child is gifted and talented or has experienced problems such as ill health.

In addition, if your child is summer born child (born between 1 April and 31 August) you may request that your child be admitted out of their normal age group, to reception rather than year one. We recommended you:

- talk to any professionals involved with your child about your request
- contact the schools you are considering applying for to understand what they do to meet the needs of their youngest children
- [read the Department for Education guidance on Summer born children](#)

You still need to apply for a place in their normal age group, in case you don't get permission. You must apply by any deadline date, and we recommend you send the request to each school you intend to apply for, as it is possible for one school to refuse a request that another school agrees.

To apply, you must attach to your application form a request that explains:

- why admission out of normal year group is being requested
- the year group you wish your child to be allocated a place

If you have it, you can also attach any available evidence that supports your request.

Leeds City Council will consider each application individually and make a decision on the basis of the circumstances of the case and in the best interests of the child concerned.

This request is separate to any decision about offering a place at a preferred school. There is no right of appeal against a decision relating to admission out of chronological age. All decisions about offering places are made by applying the admission policy oversubscription criteria to the child's application.

Moving schools (in-year applications)

These are requests to join a school in-year, or for reception places after the start of the school year. Where any vacancy arises, places will be offered from the waiting list based on the oversubscription criteria within this policy.

Find out more about in-year applications, including current vacancies and apply for a place, on the Leeds application portal at www.leeds.gov.uk/moveschools

Appeals

If you apply for a place at our school and an offer cannot be made, you have the right to appeal.

Appeals submitted for a reception place in the normal round will need to be received by the Council's deadline to guarantee being heard before the new school year starts. For more

information about appeals please visit: [Find Leeds City Councils appeals timetable containing deadlines and timescales](#)

Appeals against a decision for an in-year application can be submitted any time during the academic year. Appeals will be heard within 30 school days of the appeal request being received (where the application for a place has been refused and the right of appeal has been issued).

Fair Access Protocol

All schools must take part in the Fair Access Protocol arrangements. It is a legal requirement, and the protocol applies to all Leeds schools. The protocol operates outside of the Admissions policy.

The protocol applies to in-year applications and only to children who do not have a current school place. The aim is to make sure the most vulnerable children are offered a place at a suitable school as quickly as possible. It also ensures that no school (including those with places) is asked to take a disproportionate number of vulnerable children. Read Leeds City Council [Fair-access-protocol](#)
