## **Nursery Closure: July 2024**

Dear Parents/Carers,

On Wednesday 10<sup>th</sup> July Nursery will be closed. This is so children and their families can visit Nursery before they start in September. I apologise for any inconvenience caused, both I and the Nursery team know what a difference these experiences have had for children in the past and are keen to support all children in their transition to their next school year.

If your child is starting our Reception in September, you will soon be asked to book onto Stay and Play sessions so your child gets this experience too.

Thank you for your support,

Miss Hutchinson,  
Early Years Department Leader
