“Engage, Enjoy, Enrich, Excel”

Monday 3rd June 2024

Dear Parents and Carers,

On **Thursday 20th June 2024, Year 5** will be hosting their first ever Enterprise Fair!

The event will run as part of *My Money Week* where children from across the school will learn more about financial education and how to have a healthy relationship with money - the Enterprise Fair itself will be similar to a traditional Summer Fair. The learning during this week extends beyond the Mathematics National Curriculum and aims to support children with life-long skills.

Throughout the week, Year 5 will work on projects to create a “product” to sell at the Enterprise Fair. The children will design, budget, buy and market their product stall before running them at the fair. The children will complete a local walk visit to Asda (19th June) to purchase their products prior to the fair.

In order for the Enterprise Fair to be a success, the children need support from the whole school!

The Enterprise Fair will run from 14:45 – 16:00 on the top Key Stage 2 playground. All sales will be cash-only, so please bring change with you.

Following the Enterprise Fair, the Year 5 children will need to tidy away their stalls and account for their profit. The team with the most profit will be able to decide how the money raised is spent on resources for the school. **The children will then need to be collected from the Key Stage 2 bottom playground at 16:15.**

Please join us to support the children and feel free to bring the whole family; we look forward to seeing you there!

Kind regards,

Mr Bramhall
Maths Lead
