Re: School Crossing Patrol

Further to recent communication that was sent out to parents yesterday, we have contacted Leeds City Council for clarification.

LCC have advised that following a recent audit of the school crossing control provision, it became apparent that the crossing for Beeston Primary School did not meet the council's specified criteria in order to keep the crossing warden in place.

This is due to the fact that there is a Zebra Crossing at school and therefore the crossing warden is at risk of being disbanded.

Leeds City Council are currently exploring other options to determine whether the funding for the crossing at Beeston Primary School could continue and have advised that a decision on the future of the crossing warden is likely to be made by early 2025.

As soon as school are aware of any further final decisions, we will communicate this to our parents/carers.

Kind regards,

The Senior Leadership Team
Beeston Primary School
