

Beeston Primary School

Town Street, Leeds, LS11 8PN

"Engage, Enjoy, Enrich, Excel"

30th September 2024

World Mental Health Day is coming up!

On Thursday 10th October 2024, Beeston Primary will join the **#HelloYellow** campaign to raise awareness and support for young people's mental health.

For a suggested donation of 50p via your child's SchoolMoney app, children can wear something YELLOW to school to brighten the day with positivity!

In school, our Mind Mate Ambassadors will encourage and empower pupils by leading a range of activities within the school that promote health and wellbeing.

All monies raised will be used to buy books and resources to support children's emotional wellbeing.

Mrs S Knowles
Pastoral Leader / Designated Safeguarding Lead
