Dear Parent/Carer,

Re: School Milk: 2024/2025

At Beeston Primary School, children in Foundation 2 are entitled to free milk until end of the term of their 5th birthday. Due to this, the cost for your child to receive milk for the academic year is as follows:

£22 if your child is born between 2nd September and 5th January inclusive.

£11 if your child is born between 6th January and 20th April inclusive.

£0 if your child is born between 21st April and 31st August inclusive.

If you wish your child to have milk for this academic year then please make payment via your child's SchoolMoney account no later than **Friday 20th September 2024**. When making payment please ensure you tick the “parental consent” box on the payment page in order to proceed.

If you are in receipt of benefits which would qualify your child for free school meals, milk for your child may not be chargeable. If you would like your child to have school milk, please use the parental consent section in the drop down menu at the top of the page on SchoolMoney and follow the instructions to give consent for your child to have milk.

Please note without consent and payment (if applicable), your child cannot be added to the milk list and will not receive milk in school after **Friday 27th September**. If you need any assistance then please contact the school office.

Yours sincerely,

On behalf of the Governing Board
Beeston Primary School
