

Geography Long Term Plan 2024/25

	Autumn		Spring		Summer	
FS1	All about me Autumn	Celebrations and change	Birthdays and family celebrations	Different occupations	Our environment and change	Holidays
FS2	'I wonder what makes us special' Families/ Our Environment	'I wonder what's out of this world' Autumn/Seasons	'I wonder what moves' Chinese New Year	'I wonder if it ever happened' Observing how things have changed	'I wonder where they call home' Habitats in our local community and beyond	'I wonder what changes look like' Transitions
Geography is taught mainly through the Understanding the World strand of the EYFS curriculum. It is also targeted through the I wonder topics, in provision and is tailored to the children's interests. When Geography is taught the curriculum icon is used and children are explicitly told that they are being Geographers doing Geography.						
Y1	Local Area – Beeston (Locational knowledge, Geographical skills and fieldwork) Local links	Geography not taught this half term	What if we lived in Antarctica? (Locational knowledge, physical features, Geographical skills)	Continents and Oceans (Locational knowledge, physical features, Geographical skills)	Geography not taught this term	Geography not taught this term
Y2	Welcome to our World! (Locational knowledge, Geographical skills)	Geography not taught this half term	Protecting our planet (Human and physical, Geographical skills and fieldwork) Local links	Geography not taught this half term	Amazing Africa (Locational knowledge, skills and fieldwork) Trip/local links	Geography not taught this half term
Y3	Geography not taught this half term	Natural Disasters (Physical, geographical skills)	Geography not taught this term	The United Kingdom (Human and physical, locational knowledge, Geographical skills) Local links	Modern Greece (Human and physical, locational knowledge, Geographical skills)	Geography not taught this term
Y4	Rainforests (Human and physical, locational knowledge)	Geography not taught this term	South America (Human, locational knowledge, place knowledge, geographical skills)	Geography not taught this term	Geography not taught this term	What's it like in Whitby? (Locational knowledge, place knowledge, geographical skills and fieldwork) Trip/local links

Y5	Rivers (Human and physical, geographical skills)	Geography not taught this term	Geography not taught this term	North America (Human and physical, locational knowledge, geographical skills)	Mountains (Human and physical, locational knowledge, geographical skills) Local links	Geography not taught this term
Y6	Geography not taught this half term	Map Skills (Physical, locational knowledge, geographical skills and fieldwork) Local links	Geography not taught this term	Changing the World (Locational knowledge)	Geography not taught this term	Trade and Economics (Human, geographical skills)
