

Beeston Primary School

Town Street, Leeds, LS11 8PN

“Engage, Enjoy, Enrich, Excel”

Wednesday 23rd April 2025

Dear Parent/Carer,

On Wednesday 7th May, Year 3 are having a Stay and Play session around the theme of measure and we would love for you to come and join us! Any family member is welcome, but due to space in classrooms we ask that only one adult comes per child.

We will have hands on activities allowing the children to have a go and use measure to examine different statements.

On the day, we will welcome and register the children as usual at their normal time. We will then invite parents in via the main office at approx. 09:00 for a quick meeting in the hall before being taken to classrooms. During your visit you will not be given access to the rest of the school due to safeguarding reasons. The session will last around one hour and you will be led out of school by a member of staff via the main office.

Please do not worry about the Maths learning we will be doing, it will be a fun exploration activity and hopefully something you and the children will really enjoy!

If you would like to attend, please could you call the school office by Friday 2nd May so that we can compile a register to sign you in and out and are aware of what numbers to expect in each classroom.

We hope you will be able to attend as this will be a great opportunity to work alongside the children.

Many thanks,

Mrs Swain, Mrs Fielding, Miss Morris and Mr Marchant

Headteacher: Mr. N. Edensor
