"Engage, Enjoy, Enrich, Excel"

Friday 13th June 2025

Dear Parent/Carer,

Re: School Milk: 2025-2026

The cost for your child to have school milk in the new academic year is **£45.36**. This runs from the start of the school year in September, to the end of the school year in July. If you would prefer to pay termly for milk rather than annually, this option is also available on [SchoolMoney](#).

Termly prices for the 2025-2026 academic year are as follows:

Autumn term - £17.28

Spring term - £13.92

Summer term - £14.16

If you wish for your child to have milk for the next academic year, please make payment via your child's [SchoolMoney](#) account **no later than Friday 11th July 2025 under either the annual or termly option.** When making payment please ensure you also tick the "parental consent" box on the payment page.

Spring and Summer term payment options will be added to SchoolMoney at relevant dates in the school year. A text will be sent to parents to advise of the ordering deadline date if you have made a termly payment and would like school milk to continue for the next term.

For parents/carers who are in receipt of benefits which qualify your child for Free School Meals, milk may not be chargeable. If you would like your child to have school milk from September, please use the parental consent section in the drop down menu on SchoolMoney and follow the instructions to give consent for your child to have milk. Please note without consent, your child cannot be added to the milk list.

If you have not made payment by this date (if applicable) and given consent, your child will not receive school milk in September.

If you need any assistance, please contact the school office before **Friday 11th July.**

Yours sincerely,

On behalf of the Governing Board
Beeston Primary School

Headteacher- Mr. N. Edensor
