Dear Parents/Carers,

We are excited to announce that we have moved our Management Information System (MIS) to Arbor.

Adopting Arbor will allow us to communicate with parents/carers more efficiently and bring school data, systems and workflows into one system. Once the Parent Portal and Parent App are launched in school, communications will be sent to you directly via email or via in-app messages. The Arbor parent portal will replace Teachers2Parents (EduSpot), SchoolMoney and Parents Evening Booking System and these systems will no longer be in use once the Parent Portal and App are embedded. Please note SchoolGrid will remain in use for meal orders and payments.

## **Getting started – Log into the Parent Portal and the Parent App:**

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below.

## **Training:**

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found by clicking on the following link.

We will send further communication on the parental app and how to register shortly. Please look out for this information and register your child when prompted.

For information on privacy and security for card payments through Arbor, we have enclosed the link for Stripe's [Privacy Policy](#). Please review if you would like to find out how and for what purposes they collect, use, retain, disclose and safeguard, any personal data provided by Arbor.

If there are any queries, please do not hesitate to contact the school office.

Kind regards,

Mr N Edensor  
Headteacher
