Dear Parents and Carers,

"Countdown to Christmas" Attendance Competition

As we move into the second half of the Autumn Term, we would like to take a moment to highlight the importance of good attendance and punctuality. Every school day counts and arriving on time ensures that children make the most of their learning opportunities and start the day positively.

To encourage and celebrate excellent attendance, we are excited to launch our "Countdown to Christmas" Attendance Competition!

Here is how it works:

- Each week, every pupil who achieves 100% attendance will be entered into a prize draw.
- The more weeks of 100% attendance, the more chances pupils have to win!
- The grand prize is a £50 Asda voucher, just in time for Christmas shopping!
- The winner will be drawn during our school assembly in the final week of term.

As winter colds and sniffles begin to circulate, we kindly ask that where possible, children continue to attend school. Even minor absences can lead to gaps in learning, and maintaining regular attendance helps children stay on track both academically and socially.

Thank you for your continued support in helping your child succeed. Together, we can make every day count!

Yours sincerely
