## Our vision for music

At Beeston Primary School, music is a way for children to express their emotions enjoyably and creatively. It plays an important role in personal development and at Beeston Primary School we aim to provide opportunities for all children to create, play, perform, listen, analyse and enjoy music across a wide range of periods, genres and styles. We are committed to ensuring children understand the value and importance of music in the wider community and aim to provide opportunities for children to use their musical skills, knowledge and experiences to involve themselves in music, in a variety of different contexts.

The objectives of teaching music at Beeston Primary School are:

- Children are given the opportunity to perform, listen to, review and evaluate their own and others music across a range of periods, genres and styles.
- Children are given the opportunity to explore musical terms and notations.
- Children are given the opportunity to sing and use their voices to express themselves, create and compose music.
- Children are given the opportunity to learn a music instrument to enable them to create and compose music with these instruments.
- Children are given the opportunity to understand how music is created and produced.

MUSIC DEVELOPMENT PLAN			
Overall objectives	At Beeston Primary School, music is a way for children to express their emotions enjoyably and creatively. It plays an important role in personal development and at Beeston Primary School we aim to provide opportunities for all children to create, play, perform, listen, analyse and enjoy music across a wide range of periods, genres and styles. We are committed to ensuring children understand the value and importance of music in the wider community and aim to provide opportunities for children to use their musical skills, knowledge and experiences to involve themselves in music, in a variety of different contexts.		
Key components	Music curriculum, including use of music technology – EYFS, KS1, KS2, SEND Teachers deliver music following the Charanga programme, designed specifically for the teaching of music in primary schools. Charanga lessons are planned in sequences to provide children with the opportunities to review, remember, deepen and apply their understanding. Charanga meets all components of the Model Music Curriculum, including musical technology units. Teachers are able to produce inclusive lessons for all children to access the musical curriculum in a fun and engaging way, further promoting a love of learning.		
	Classroom instrumental teaching  The children benefit from an external music teacher visiting school weekly, offering whole class recorder teaching for children in Year 3.  Throughout their primary music curriculum journey, children will learn how to play Glockenspiels and Boomwhackers, within our music scheme. Playing		
	various instruments enables children to use a range of methods to create notes, as well as how to read basic music notation.  Links with external music organisations  We have links with Artforms, who offer whole class music teaching and support with our musical offering throughout school.		
	Children have the opportunity to learn and play as part of a rock ensemble, with Rocksteady. Each week, an external music teacher visits school and teaches children how to play a rock instrument, or sing, as part of a band. The band takes part in termly performances where parents and the rest of the school can come and watch.		

	Music CPD  Music leads have many CPD opportunities through the year and are able to use staff meeting time to offer teaching staff further CPD.	
	Performance opportunities  We are partnered with Leeds Music Education Partners, who offer lots of live music opportunities and extra-curricular activities throughout the year.  Our children take part in many singing opportunities throughout school and take part in many performances throughout the year.	
	We have a choir within school who practice and perform in assemblies.	
Communications	Using the school's Facebook, we will inform parents of musical opportunities throughout the school year.	
Budget, materials and staffing	<ul> <li>Our school have two music lead teachers who are offered time out of class to focus on music in school.</li> <li>-Artforms offers whole class instrumental teaching, live music performances in and out of school throughout the year at a subsidised cost.</li> <li>-We are offered an online teaching platform, free of charge, through Artforms and we will continue using Charanga.</li> </ul>
