My Health, My School – Pupil Survey 2025/2026

Dear Parents/Carers,

We are writing to inform you about an opportunity for your Year 6 child to take part in the **My Health, My School** survey, an annual survey commissioned by Leeds City Council and partners to gather valuable insights into the health and wellbeing of children and young people across Leeds.

The survey covers topics including physical activity, emotional wellbeing, diet, and healthy lifestyles. The information collected helps schools, local authorities, and health services to plan and improve services for young people.

Why We Need Your Consent:

In accordance with the **UK General Data Protection Regulation (UK GDPR) and our Information Sharing Agreement (ISA)** with Leeds City Council, we must obtain your explicit consent for the processing of your child's personal information before they can participate in the survey. Pupils over 13 can give their own consent. Pupils will be given the choice to take part in the survey once we have received consent.

What You Need to Know:

- Participation is **voluntary**.
- The answers given will be **anonymised** and the survey does not collect names or any other personal data.
- Your child can choose to withdraw at any time, even during completion of the survey (at this point their data will be deleted).
- The survey is completed online during school hours and takes approximately 30 minutes.
- The completed survey data collected will be anonymised and used solely for research and planning purposes. No individual child will be identified in any published result.

Consent:

If you are happy for your child to participate in the survey, please give your consent under the 'notices' section on Arbor. By giving your consent, you confirm that:

- You have read and understood the information contained within this letter.
- You are aware that participation is voluntary and that your child can withdraw at any time.
- The survey outputs are anonymous and no personal identifying information will be divulged.
- Survey data will be used for research and planning purposes only.

The survey will be completed in school on Wednesday 1st July, 2026.

If we do not receive your consent, your child will not take part in the survey. If you would like more information about the survey, please visit: <https://www.myhealthmyschoolsurvey.org.uk/pages/parents>

Thank you for your continued support.

Yours sincerely,

Mrs McAvoy
Assistant Headteacher
