

Year 3 Newsletter: Summer 2

Dear Parent/Carer,

Welcome back to Summer Term 2! We cannot believe that we are in the last few weeks of this school year. We all hope you had a lovely half term break and that your child enjoyed a well-earned rest - we have a busy and exciting term ahead of us! Thank you so much for your continued support this year, we appreciate it so much.

Maths

At the start of this half term we will consolidate our learning on time from last half term. After that we will focus on money before moving on to geometry, where we will explore the properties of shape. Our learning will include; thinking about turns and angles, identifying right angles, comparing angles as well as exploring 2D and 3D shapes.

English

In English this term we will be writing a recount linked to something that the children have done throughout Year 3 before moving on to another piece of non-fiction writing. Linked to our Science unit of work; we will write non-chronological reports with a focus on plants and gardens.

DT

Our DT topic will link to our work in History. This term we will be looking at cooking skills and taste testing Greek food. Please ensure we are updated on any changes to your child's dietary/ allergy requirements.

PE/PSHE

In PE this term we will focus on different modules around duelling and different ways of winning and losing. In PHSE, we will be looking at wellbeing and looking at things that we are good at, dealing with different situations that happen in our life.

Geography/RE

Our Geography topic is about settlements this half term and we will look at how different groups came to settle in the UK. In RE we will look spend our time examining the different aspects of RE we have covered all across the year.

Science

In Science this half term we will be learning about plants. We will learn about the different parts of plants and their purposes as well as the things plants need to thrive. We are hoping to grow some plants of our own too!

Our Place in Our World.

Through our Geography topic we will be looking at different settlements across the country and elsewhere.

Aspiring Entrepreneurs

In our Maths topic we will be looking at the value of money and why it is important in the modern world.

Healthy and Happy Living

Our DT lesson will provide us an opportunity to look at different healthy food and having a nutritious diet.

Inquisitive Investigators

In Maths we will be investigating angles and lines of symmetry- once we know what to look out for we will be able to spot them everywhere!

Important information & Dates to remember:

- Year 3 PE will take place on a Monday and Thursday afternoon all children should come dressed in appropriate PE kit.
- Please send your child to school with their reading book every day.
- We will be sending out some projects to complete at home where children can earn points in school.
- Please continue to log any books you share at home on our Boom Reader system.
- Please encourage your child to practise their times tables on Times Table Rock stars.
- We are looking at going into the local area to do some field work and Art work. More details will follow.
- 6th and 7th July – Transition mornings (more information to follow).
- 10th July – End of Year reports sent home.
- 17th July- Last day of term.

Thank you for your continued support.
Mr Marchant, Miss Morris and Mr Waring
